

Paratroopers Ring School

"Mob Rule" Menace To U.S. Safety, Ike Says

Appeal Made To Citizens Of Arkansas

President Declares Reds Use Riots To Misrepresent U.S.

WASHINGTON, Sept. 24 (AP)—President Eisenhower, telling the nation why he sped federal troops to Little Rock, said tonight that "mob rule" there menaced the very safety of the United States and the free world.

That is so, he said in a TV-radio broadcast from the White House, because "gloating" Communists abroad are using the school integration riots to misrepresent the United States, and undermine its prestige and influence around the globe.

Solemnly, he called upon Arkansas citizens to help bring an end to all interference with legal processes, because:

"Mob rule cannot be allowed to override the decisions of the courts."

Even as he spoke, the first of 500 troops of the 101st Airborne Division were entering Little Rock, but the President pledged: "If resistance to the federal court orders ceases at once, the further presence of federal troops will be unnecessary."

President Deadly Serious

The President stressed that the troops were not sent to relieve local authorities of their duty to preserve order, nor to act as school administrators. Their only purpose, he said, is to prevent further interference with a federal judge's order that Negroes be admitted to Little Rock's Central High School.

The President, looking deadly serious, said he chose the White House for his address to the nation because:

"I felt that, in speaking from the house of Lincoln, of Jackson and of Wilson, my words would more clearly convey both the sadness I feel in the action I was compelled today to take and the firmness with which I intend to pursue this course."

He said he knew that an overwhelming majority of Americans—including those of Little Rock—are people of goodwill, but that some few in the Arkansas capital were bent on obstructing justice.

In this country, Eisenhower said, the basis of individual rights and freedoms is the certainty that the executive branch will insure the carrying out of federal court decisions with all the means at the president's command, when necessary.

"Unless the president did so, anarchy would result," he said.

Ike Appears At Ease

The President, dressed in a light gray suit and "television blue" shirt, appeared to be completely at ease, even though he built up emphasis on several points.

On two occasions, he whipped off his glasses to ad lib a line. Once, he said that the running of school systems is a matter for local authorities, and the federal government doesn't interfere unless asked.

At another spot, where he said the Little Rock School Board had approved a moderate plan for gradual desegregation, Eisenhower remarked that schools in a number of Arkansas communities have been integrated without violence of any kind.

Ike delivered his address from his working desk in the White House.

Nowhere in his speech or in the remarks he threw in did Eisenhower take a dig—by name at least—at Gov. Orval Faubus of Arkansas or anyone else.

He did say that misguided persons, many imported by agitators, have insisted on defying the law. He said disorderly mobs, under leadership of demagogic extremists, deliberately prevented compliance with a federal court order.

Conference Of Governors, Ike Proposed

Clement Suggests Solution Avoiding Troop Use Possible

SEA ISLAND, Ga., Sept. 24 (AP)—Gov. Frank Clement of Tennessee proposed today that a committee of seven governors meet with President Eisenhower to seek a solution of integration problems that would avoid the use of federal troops.

Clement told a news conference at the annual Southern Governors Conference here that he believes President Eisenhower's federalization of the Arkansas National Guard has created a crisis that goes far beyond the controversy over racial integration in the schools.

Hodges Could Name Committee

Acting on his own initiative, Clement proposed that Gov. Luther Hodges of North Carolina, conference chairman, name a bipartisan committee representing all viewpoints to confer immediately with Eisenhower. Clement said it would be up to other members of the 16-state conference to decide whether such a committee should be formed.

"We have reached one of the most critical times in our history through the President's unprecedented action," Clement said. "That action is certain to have far-reaching repercussions."

"It involves the questions of whether federal troops shall or shall not be used in the sovereign states. The issue is no longer limited to school integration."

Clement Fears Precedent

"In 1958, it might be labor trouble. I don't like to see us continue heading downhill a mile-a-minute toward this sort of precedent," Clement said he would expect all viewpoints to be represented on the membership of the committee. He said he believes it should "explore all possible avenues of agreement among the several states" on the problem of integration and related matters.

Clement's proposal came at a time when other Southern Democratic governors were sharply condemning the President's action federalizing the Arkansas National Guard.

Russians Claim Capture Of U. S. "Master Spy"

MOSCOW, Sept. 24 (AP)—The Soviet Union today claimed capture of an American master spy and smashing of what it called a Washington effort to create a subversive ring in Latvia.

A communiqué of Gen. Ivan A. Serov's committee for state security said the prisoner was C. P. Bromberg. It identified him as a former employee of Fascist police in Riga, the capital, during the German occupation of Latvia in World War II.

It said Bromberg was seized in July, after the capture a year earlier of an American-trained assistant, Latvian L. N. Zarish. The communiqué, distributed by Tass, added: Bromberg fled to Sweden at the end of the war and later went to West Germany. U. S. intelligence agencies there sent him to Washington. He and Zarish worked for a Col. Kulla at an intelligence training center on a farm near Washington.

British Touch Off Second Atom Blast

LONDON, Wednesday, Sept. 25 (AP)—The second explosion in Britain's current series of atomic weapons tests was touched off today in south Australia, the Supply Ministry announced. It was a tower device. The ministry said the test was successful, but gave no details.

Syria Arms Buildup Seen Red Base-Stocking Move

UNITED NATIONS, N. Y., Sept. 24 (AP)—Britain told the United Nations today there are signs the Communist arms buildup in Syria is intended to stock Soviet advance bases in the Middle East. Foreign Secretary Selwyn Lloyd made the statement in a policy speech before the 82-nation General Assembly in which he charged the Soviet Union with creating tension and anxiety in the Middle East. He also declared failure to make progress on disarmament is due to Soviet refusal to "get down to brass tacks."

Lloyd's speech coincided with the delivery of notes to the Kremlin by the United States, Britain and France containing similar charges on Soviet activities in the Arab world, and rejecting the Soviet request for a big power declaration renouncing use of force.

to settle Middle East issues. Lloyd labeled Soviet policy in the Middle East as "simply opportunistic."

He said Arab states who receive Soviet arms are mortgaging their resources to pay for them "and probably have done permanent damage to their economies."

Lloyd declared the arms "are more likely to cause trouble than prevent it," and added: "There are some who believe that the purpose behind this is to prestock forward bases for the Soviet Union itself. The deliveries are on such a scale as to give some color to this suggestion."

Lloyd said Britain views the situation in Syria with "grave concern," thus lining up with the stand taken by U. S. Secretary of State Dulles in his Assembly policy speech last Thursday.

Ike Explains; Faubus Returns

President Eisenhower sits at a desk in the White House as he prepared to make his radio-TV address to the nation last night. He explained why he had ordered federal troops into Little Rock, Ark., to enforce Federal Court orders to admit Negro students into the hitherto all-white high school. At right, Gov. Orval Faubus is shown talking to newsmen as he arrived in Little Rock yesterday afternoon from the Southern Governors' Conference at Sea Island, Ga. Asked why he suddenly decided to return, Faubus said, "After all, I'm the governor and a lot of people think I ought to be there."

(AP Photofax)

West Charges Soviet Inciting Hate In Mideast

WASHINGTON, Sept. 24 (AP)—The United States today reaffirmed its determination to preserve peace in the Middle East and joined Britain and France in denouncing Russia for inflaming hatreds there.

The State Department made public a diplomatic note, couched in blunt language, handed today to the Soviet Foreign Ministry in Moscow.

It said similar notes were delivered by the French and British. They were the latest in an exchange touched off Feb. 11 when Russia called for a Big Four declaration condemning use of force in the Middle East.

The American note pinned on Russia "primary responsibility for the present aggravation of tension in the Middle East."

It said Russia arms shipments started "a chain of events" and "inflammatory Soviet statements and propaganda" have thwarted all efforts to relax tensions and solve Mideast problems.

Even the last Soviet note calling for Big Four statements, dated Sept. 3, was aimed solely at propagandizing, the American note declared. It added: "The Soviet note is offensive in tone and cynically distorts the U. S. objectives and actions in the Middle East."

Citing the congressionally approved resolution pledging military support if requested by any victim of Communist aggression in the Middle East, the American note declared: "There shall be no doubt that the government of the United States intends to carry out the national policy set forth in this resolution."

In London, the British Foreign Office made public its note. The British version was identical in substance with American charges of Soviet meddling. However, it naturally said nothing about the pledges of the U. S. government's Middle East resolution. And its language was milder.

Knowland Suggests Red Neutral Zone

LOS ANGELES, Sept. 24 (AP)—Senate Minority Leader Knowland says he thinks a neutral belt should be established alongside the chain of Soviet satellites in Eastern Europe.

The Republican senator, on a speaking tour of California, said in an address last night that such a step would help insure peace. He told the Los Angeles County Republican All-American Nationality Council that Russia has a sorry history of violated friendship treaties and nonaggression pacts between that country and non-Communist nations during the past 30 years.

The Russians invaded Latvia, Lithuania and Estonia within three years after the signing of friendship pacts, he said.

Probers Challenge Hoffa's Credentials As Union Delegate

WASHINGTON, Sept. 24 (AP)—Senate investigators today challenged the credentials of James R. Hoffa and 29 other delegates to a Teamsters Union convention at which Hoffa hopes to win the post of president.

The challenge came from Robert F. Kennedy, chief counsel of the Senate Rackets Committee, and Sen. Mundt (R-SD), a member of the inquiry group.

They contended the election of Hoffa, Midwest boss of the Teamsters, and other delegates from Locals 299 and 337 in Detroit was not conducted in accordance with the union's constitution.

"He's not legally a delegate," Mundt said of Hoffa, whom the committee had had under fire for months.

This brought an angry protest from George Fitzgerald, Hoffa's lawyer. Hoffa, described by Chairman McClellan (D-Ark) as "one of the most powerful labor leaders in this nation," had been invited to attend the hearing but did not show up.

The issue will be threshed out in the U. S. District Court here Friday when Hoffa and other union bigwigs appear to show cause why a temporary injunction should not be issued holding up the election. The Teamsters are scheduled to open their convention in Miami Beach next Monday.

The resumption of the Senate inquiry into Hoffa's record as a labor leader brought several other developments today.

There was testimony that Hoffa hired two of his business agents fresh from the Ohio State Penitentiary.

One of these agents, Herman Kierdorf, disclosed that he loaned Hoffa \$2,000 in 1952 and didn't get the money back until last Friday. Hoffa appears to have paid off two other debts that day.

Paul Allen, business manager of the Riggers and Machine Erectors Union in Detroit, testified he got back \$2,000 he had loaned Hoffa five years ago. James Clift of Garden City, Mich., business agent of Teamsters Local 337, also said he was repaid Friday for a loan he made Hoffa in 1952.

Southern Reaction Ranges From Talk Of Insurrection To Mild Condemnation

[By The Associated Press]

Officials' reaction to President Eisenhower's federalization of the Arkansas National Guard in an effort to bring about racial integration in the public schools tended to split along South-North lines yesterday with Dixie condemnation ranging from fire-eating talk of armed resistance to much milder condemnation.

Sen. Olin Johnston (D-SC), a former governor of South Carolina lived up to the Gamecock State's ancient tradition of bitterness toward Washington when he said: "If I were governor and he (the President) came in, I'd give him a fight such as he's never been in before."

"I'd proclaim a state of insurrection and I'd call out the Na-

500 From 101st Division Flown To Little Rock

Battle-Equipped Regulars Roll Into City; Guard Is Federalized

LITTLE ROCK, Ark., Sept. 24 (AP)—Paratroopers from the famed 101st Airborne Division took up stations around Central High School tonight while hundreds of Little Rock people looked on.

There was no immediate reaction from the crowd. The troops rolled in convoy from Little Rock Air Force Base shortly after dark.

The force, said to be 500, split—one group going to the high school and the other to the National Guard at Little Rock.

The high school's handsome, stone facade was lighted and the lights from the jeeps and the 2½-ton trucks, carrying the paratroopers, gave the scene almost a wartime look.

A number of Negro paratroopers were seen in the trucks.

However, it appeared that they were being assigned to duty away from the high school.

As the units assigned to the armory drove away, it appeared that most of the Negroes went in those trucks.

A trailer, marked "explosives," and a weapons carrier came with the paratroopers.

Battalion pennons fluttered from short standards attached to the jeeps.

Troops Wear Battle Dress

The paratroopers wore battle dress.

Col. William A. Kuehn, commander of the troops at the high school, conferred with Asst. Police Chief Gene Smith about troop arrangements for tonight. Smith told the officer that the school gymnasium had showers for the men. It appeared that the troops might bed down tonight on the school's football field.

The soldiers themselves brushed aside all questions, referring newsmen to their officers.

Wooden barricades that figured so prominently in yesterday's disturbances at the school were placed on the sidewalk to permit the paratroopers' vehicles to pass down the street.

The federal troops are under the command of Maj. Gen. Edwin A. Walker, decorated combat soldier, who is commander of the Arkansas military district.

Army Secretary Brucker said all Arkansas guardsmen were being ordered to report to their armories. He said probably only selected Guard units will be needed for immediate duty in Little Rock. An Army spokesman said Gen. Walker has authority to decide which troops to employ, and how and when to use them.

Soviets Explode Another H-Bomb

WASHINGTON, Sept. 24 (AP)—The Atomic Energy Commission announced tonight that the Soviet Union has set off another nuclear explosion in its current series of weapons tests.

An AEC spokesman indicated the blast was that of a hydrogen bomb with an explosive force equivalent to a million tons of TNT.

The announcement said the latest detonation occurred Sept. 24 at a site north of the Arctic Circle. The last explosion noted by the United States was Sunday Sept. 8.

It was the third nuclear explosion in the U. S. S. R., announced by the United States since Aug. 22.

Smaller Share For U.S.

UNITED NATIONS, N. Y., Sept. 24 (AP)—The United States served notice today it will seek to reduce its share of the annual U. N. budget to 30 per cent.

The United States—largest contributor of the 82 member states—now pays 33.33 per cent.

Cost Of Living Inches Higher

WASHINGTON, Sept. 24 (AP)—The cost of living topped off a full year of steady climbing with a jump of two tenths of 1 per cent during August.

This gain, announced today, was the 12th straight monthly advance and left prices 3.6 per cent higher than they were a year ago.

The Labor Department's consumer price index rose by two tenths of a point during the month and now stands at 121 per cent of the 1947-49 level. Each monthly figure since last September has been successively a record high.

The latest jump in the price index will bring automatic pay raises of two or three cents an hour to 157,000 workers whose wages are tied to the cost of living in escalator contracts.

Most of the workers affected are in the aircraft industry.

In another report, the Labor Department said the weekly spendable earnings of factory production workers—what they have left after paying federal taxes and social security payments—rose by 33 cents during the month, more than offsetting the increase in the cost of living for this particular group. Buying power for factory workers was still below last year's levels, however.

Bomber Smashes Homes, Killing Four

DAYTON, Ohio, Sept. 24 (AP)—An Air Force B25 twin-engine bomber, coming in for an emergency landing at Wright-Patterson Air Force Base here, plunged 70 feet into a suburban housing development today, killing four persons and injuring at least one.

The plane ripped sections from two houses and demolished a third.

Air Force officials said the

500 From 101st

(Continued From Page 1)

think they ought to have stayed out. Integration had to come but they didn't have to shove it down our throats."

Said Roy Garrett, garageman, who noticed Negroes among the paratroopers:

"I don't think they should have any colored boys in those troops. That's a mistake on somebody's part and it will cause trouble."

Many state and federal officials refused comment at this time.

A National Assn. for the Advancement of Colored People official, Mrs. L. C. Bates, said, "If federal troops are there to protect the children, the Negro children will go to school tomorrow."

The planes landed at mid-afternoon at Little Rock Air Force Base. An officer called the City Hall and asked for, and got, permission to enter the city and for a police escort to handle the traffic.

President Eisenhower took decisive action after racial violence and riots swept small parts of the city yesterday and last night.

The President's action placed the 9,900 guardsmen under Army control and thereby took them out of state control.

medium-sized bomber developed engine trouble immediately after takeoff and was returning to the base. Flying at 70 feet, officials said, the plane suddenly veered to miss a high steel tower, but got its landing gear tangled in a high tension wire and went plummeting toward the development, on Dayton's Southeast Side.

Killed instantly in the crash, Air Force officials reported, were the plane's pilot and copilot and two occupants of the demolished house.

The Air Force withheld names of the crew members pending notification of next of kin, but the other dead were identified as Mrs. Mildred Van Zant, about 40, and Walter Joseph Geisler.

Judge Who Held NRA Unconstitutional Dies

RUTHERFORD, N. J., Sept. 24 (AP)—Retired U.S. Dist. Judge Guy L. Fake, who declared the National Recovery Act unconstitutional in 1935, died last night at his home. He was 77.

Fake, foe of what he called "government by bureaucracy," retired from the bench in 1951, but continued to maintain an office in the federal building at Newark and was subject to call.

The jurist, active in Republican politics, ruled the NRA invalid because he said it attempted the unlawful delegation of legislative power. The U. S. Supreme Court outlawed the NRA on the same grounds.

Of nearly 800 tree species native to the United States, about 90 attain commercial quality and size.

Eyewitness Says Girard Fired As Joke

SOMAGAHARA, Japan, Sept. 24 (AP)—The only American to see William S. Girard fire at a Japanese woman scrap collector testified today that "actually, I don't think he meant to do it." He said Girard fired as a joke.

But the testimony of soldier Victor Nickel, Ikster, Mich., differed on three points with that of Girard's. Nickel shared a foxhole with Girard at the U.S. Army firing range here Jan. 30 just before Mrs. Naka Sakai was fatally wounded by the Ottawa, Ill., soldier. Girard is on trial for manslaughter.

This was how Michel's testimony conflicted with Girard's:

Girard put the rifle grenade launcher to his shoulder and aimed at the woman as she bent over. Girard said he fired from the hip.

Nickel's testimony put Girard about 25 feet closer to the woman at the moment of the shooting.

They were also about 25 feet apart on the location of the machinegun emplacement they were guarding.

The session of the Japanese court was held at the scene of the shooting. Presiding Judge Yuzo Kawachi, dressed in a huge straw hat and raincoat, led the court assemblage from point to point on the muddy hillside.

Nickel said he did not see Girard toss brass onto the range to lure Japanese scrap collectors but said he (Nickel) did so at Girard's suggestion.

Appeal Made

(Continued From Page 1)

for integration at Little Rock's Central High.

Eisenhower flew here from his vacation spot in Rhode Island to deliver the speech.

In mid-afternoon there was another historic flight—this one of 500 regular Army soldiers of the 101st Airborne Division, ordered to Little Rock under instructions of the President.

The 9,900 men of the Arkansas National Guard were brought under federal control, to be used as necessary to enforce the federal court order for integration of Little Rock's Central High.

The President issued his momentous orders in the wake of yesterday's rioting.

Eisenhower conferred for an hour tonight with Atty. Gen. Brownell, James C. Hagerty, White House press secretary, said the two went over the speech "to make sure there were no legal mistakes."

PLANE SMASHES ROOF, KILLS FOUR — This is one of several homes which were in the path of a two-engine Air Force plane which crashed yesterday at Dayton, Ohio, killing four persons including the plane's crew. Witnesses said the plane apparently was approaching Wright-Patterson Air Force Base for a landing when it suddenly dropped and crashed into the homes. (AP Photofax)

Ike Troop Order Makes McClellan "Apprehensive"

WASHINGTON, Sept. 24 (AP)—Sen. McClellan (D-Ark.) said today the use of federal military force in the school integration crisis in his state "may precipitate more trouble than it will prevent."

Informed of President Eisenhower's orders to federalize the Arkansas National Guard for duty in Little Rock, McClellan told reporters: "I regret the proposed use of force by the federal government to enforce integration. I believe it to be without authority of law."

"I am very apprehensive that such action may precipitate more trouble than it will prevent."

"The blame for this situation rests squarely upon the 'force' decree of the Supreme Court (on school integration) which shattered all previous court precedents on the issue and which was not based upon a correct interpretation of the Constitution but in my judgment is predicated on what the court at the time thought to be political expediency."

Israeli Vessel Seized

PORT SAID, Egypt, Sept. 24 (AP)—Egyptian authorities said an Egyptian coast guard patrol craft today intercepted an Israeli fishing vessel in Egyptian territorial waters 90 miles east of Port Said and brought it to this Mediterranean port.

Convicted Cop Slayer Appeals

ANNAPOLIS, Sept. 24 (AP)—Alvin Herbert Braxton today asked the Court of Appeals to reverse his conviction of first degree murder in the death of a Baltimore policeman.

Braxton, alias Herbert "Butch" Marshall, was found guilty last November and was sentenced to die in the gas chamber for the Sept. 29, 1956, slaying of Patrolman John R. Phelan.

According to testimony presented by the State at Braxton's trial in Baltimore Criminal Court, the shooting occurred after Braxton and two other men attempted to hold up a liquor store on North Avenue.

The men were discovered by Phelan, and in an exchange of shots Braxton was wounded in the leg.

Officer Theodore Weintraub testified that the wounded Braxton grabbed Phelan's revolver and fired three shots during a struggle in an ambulance en route to the hospital.

Phelan died of gunshot wounds soon afterward.

Attorneys for Braxton argued before the high court that Judge James K. Cullen had erred at Braxton's trial by admitting Phelan's revolver and some cartridges and shells into evidence.

Md. Attorney General Will File Answer To Va. Motion In Potomac River Dispute

RICHMOND, Va., Sept. 24 (AP)—Clerk John T. Fey to the Maryland attorney general has been requested to file an answer with the U. S. Supreme Court by Oct. 4 to a Virginia motion in the two states' dispute over the Potomac River.

Virginia has asked the court for a temporary restraining order to prevent what it calls interference with the rights of Virginia fishermen on the Maryland-owned river.

A copy of a letter from court

land attorney general has been received by the attorney general of Virginia.

In it Fey said the court had directed him to request the answer, which he said would not prejudice Maryland's right later to oppose a second Virginia motion. This asked a perpetual restraining order to block Maryland's attempted abrogation of the Potomac River Compact of 1785.

Virginia filed the two motions with the court earlier this month. The court will convene Oct. 7. Spokesmen for the Virginia attorney general's office said today a ruling on the motion for temporary restraining order could be expected at an early date. No date has been set for presentation of the substantive questions involved.

Virginia's action came after the Maryland Legislature passed an act terminating the original agreement with Virginia. Under the compact, Maryland granted Potomac fishing rights to Virginians in return for Virginia's guarantee that Maryland vessels could have free access to the Atlantic through the Virginia Capes.

The compact provided that neither state could terminate the agreement without consent of the other.

English Mayor Ends Visit To Salisbury

SALISBURY, Md., Sept. 24 (AP)—Mayor Alfred E. Batt of Salisbury, England, today ended a week-long visit to this American namesake of his hometown.

He and Mrs. Batt headed for Washington and a bit of sightseeing before they move on to a similar stay at Salisbury, N.C.

More than 600 persons turned out last night for a farewell dinner in their honor at Wicomico High School cafeteria.

Before their departure, the mayor visited City Hall in his black velvet robe of office for an exchange of scrolls with Mayor Rollie W. Hastings of his host city. Each made the other an honorary citizen of his community.

In Washington, the English mayor will be a guest of Miss Bertha Adkins, assistant chairman of the Republican National Committee and a native of Salisbury.

Newspaperman Dies

ALEXANDRIA, Va., Sept. 24 (AP)—David W. Harris Jr., city editor of the Alexandria Gazette, died today in a Washington, D. C., hospital.

A native of Maxton, Fla., Harris had worked on newspapers in Miami, Fla., Ft. Lauderdale, Fla., and Washington before joining the Gazette staff two years ago as city hall reporter. He became city editor of the Gazette last year.

Out Of Character

MEXICO CITY, Sept. 24 (AP)—Actress Maria Douglas was criticized as being out of character when she appeared in "Anna Karenina" without a proper wig. She promptly explained why: the wig was stolen shortly before she went on stage.

13 More Face Quiz In Slaying

TOWSON, Md., Sept. 24 (AP)—Florida detectives working on the unsolved murder of Judith Ann Roberts three years ago said today they plan to wind up their current investigation here by Thursday.

The Florida officials recently reopened active investigation of the kidnap-slaying of the seven-year-old Baltimore County girl who was taken from her grandfather's home while visiting in Miami with her mother and father. She was molested and strangled.

The child's father, James T. Roberts, a Towson lawyer, was indicted for the murder, but the charge later was dropped at the request of the state's attorney's office in Miami.

Roberts and his wife were questioned yesterday and again today. Police would not discuss the line of questioning, except to say it was informal.

Frank H. Newell III, Baltimore County state's attorney, said 13 other persons were to be questioned by the Florida authorities.

The case was reopened at the request of State's Attorney Richard E. Gerstein of Dade County, who said the previous investigation was "badly botched."

Woman Cycle Rider Killed

LEONARDTOWN, Md., Sept. 24 (AP)—Bobbie Lee Richardson, 27, a passenger on a motorcycle, was knocked off the cycle and killed by a following car that struck her early today.

Police said she was thrown to the roadway when the motorcycle, driven by Herbert Eskelson, 20, a sailor stationed at Patuxent Naval Air Station, struck the rear of a car he was attempting to pass. Eskelson was hospitalized with fractures of both legs.

Wife-Stubber Given Prison Sentence

BALTIMORE, Sept. 24 (AP)—Maurice Glenn, Jr., 27, today was sentenced to seven years in prison for stabbing his wife last June and assaulting his mother-in-law two months later.

Criminal Court Judge S. Ralph Warnken, in turning down a plea for probation, said he could grant no clemency to a man who would make such a serious attack on his wife.

Mrs. Shirley Louise Glenn, his wife, was hospitalized for two months from stab wounds in the chest.

The ancient Romans started the custom of docking a dog's tail. They believed that all the evil of the animal could be found in his tail.

Narrows Area Beautification Being Planned

The Junior Association of Commerce wants to undertake a beautification project in the Narrows and has received support of the Mayor and Council.

Writing to council Monday, the Jaycees pointed out they had undertaken a project to beautify approaches to the city and had done so with a parcel of land on Route 220 at the intersection of Bedford and Frederick streets. A welcome sign was also erected.

The Jaycees feel that the same program should be undertaken on the Route 40 approach and want to work on a strip of land east of Wills Creek bridge on the right side of the highway entering Cumberland.

Mayor Roy W. Eves said he did not think the federal government would object to the project and Finance Commissioner John J. Long said the city should encourage organizations like the Jaycees for the fine work they are doing.

The hay fever that attacks some six million Americans every summer is caused by at least two hundred species of plants. Yet 90 per cent of the cases are brought on by only five of these plants.

Livestock Scourge

LONDON, Sept. 24 (AP)—Britain is grappling with six widely separated outbreaks of foot-and-mouth disease, a livestock scourge. The Agriculture Ministry blames two main sources for periodic flareups of the disease in British herds. One is the importation of South American meat. The other is birds migrating from Continental Europe.

Pile Torture

Act now for fast relief from torture of piles. Don't wait another day. Apply Peterson's Ointment at once. This cooling, soothing astringent formula has given joyful relief to thousands for 44 years. Relieves itching quickly. All druggists, box 50c, or applicator tube 75c. Peterson's Ointment delights or money back.

Permanent Truck Route Proposed For Cumberland

Police and Fire Commissioner William V. Keegan has asked the Mayor and Council to authorize the State Roads Commission to establish a permanent truck route for trucks through the city. The suggestion met with approval of council Monday. Attention has been focused on trucks using downtown streets, especially since construction was started on the new Baltimore Street bridge. Trucks have been rerouted and thinking appears to be that a permanent route keeping trucks off main city streets, except where a definite destination is involved, will improve traffic flow and reduce wear and tear on surfaces.

New Officers Are Named In United Fund Campaign

Three new officers were named by the Executive Committee of the County United Fund Monday to help meet increased activity in the givers' organization which is fired by the enthusiasm of more than \$110,000 already received through the Golden Gifts Division, is rolling up its sleeves for the general campaign for \$250,000 next month. New officers named at a meeting in the directors' room of Liberty Trust Company are William R. Carscaden and William C. Walsh, local attorneys, second and third vice presidents, respectively, and Earl K. Hess of Keyser, president of Masteller Coal Company, assistant treasurer.

Lewis J. Ort, CUF vice president and campaign chairman, presided in the absence of Edmund S. Burke, president. Committee members present were R. F. Thompson, plant manager, Amcelle plant, Celanese Corporation of America; Joseph M. Miller, superintendent, Western Maryland Railroad; Wayne Ritchie, Tri-Towns; A. Trago Brust Jr., representing John A. Luke, president of the West Virginia Pulp and Paper Company; Woodward D. Pealer, manager of the Kelly-Springfield Retail Tire Store; Dr. W. Royce Hodges; Walsh and Carscaden.

Ort reported on the spontaneous response to the United Fund idea throughout the Cumberland, Frostburg, Georges Creek, Tri-Towns and Keyser areas, terming it "amazing."

In-plant fund drives in the "Big Seven" of the CUF Industrial Division were discussed. The seven industries leading the way through payroll deductions are Celanese Corporation of America, Western Maryland Railroad, West Virginia Pulp and Paper Company, Baltimore and Ohio Railroad, Kelly-Springfield Tire Company, Pittsburgh Plate Glass Company, and Allegany Ballistics Laboratory.

Following the meeting, Ort expressed confidence that employees of the major industries will respond in the same manner as all others who have been approached to date—"welcoming the opportunity to increase their gifts in a real givers' campaign to eliminate multiple fund drives for the support of health, welfare and youth organizations."

Tour Of Lourdes Being Planned

Reservations are being taken for a tour to the Shrine of Our Lady of Lourdes in France next year. The pilgrimage will sail from New York City on July 23 aboard the SS Constitution.

Catholics from Frederick, Martinsburg, Hagerstown and Cumberland are expected to make up the group.

The tour will include visits to Lourdes, Assisi and Paris to visit the famous shrines at these places, the World's Fair in Belgium, a tour of various places in Switzerland, Holland, Italy and France.

This will mark the first time that such a pilgrimage has been organized in the Cumberland area.

Arrangements are being handled by the Miller Travel Agency in Hagerstown, representing the Catholic Travel League.

Tax Problems Aired Here By City Solicitor

A report that Baltimore is seeking to increase its income has brought from one city official here a statement that residents should be "thankful they don't have a lot of extra taxes."

City Attorney Thomas B. Finan called attention of the Mayor and Council to a Baltimore report of a Special Tax Study Commission which has suggested looking into several new revenue sources to bolster that city's income. The commission is headed by former Judge Joseph Sherbow.

Finan said Baltimore's problems are not exactly like Cumberland's but are similar.

Finan said many times city residents stress what the local tax rate is, but in reading over the report, it brings out the fact that "Baltimore City, right now, imposes a lot of taxes we do not have and I think the people should be glad we do not have these unseen taxes x x x."

Among those cited which Baltimore imposes are on cigarettes, tobacco over and above state taxes, savings accounts and gross receipts on utilities which, the city solicitor said, he was sure were passed along to the consumer.

Instrument Group Will Meet Today

The Cumberland Section of the Instrument Society of America will meet today at 6:30 p. m. at the Ali Ghan Shrine Country Club.

R. W. Cullen, sales manager of the Industrial Meters Division of Bowser Corporation, will speak following the dinner. He will discuss "Industrial positive displacement meters versus process control."

Gas Company Receives Ditch Permit

The Cumberland and Allegany Gas Company has been granted a permit to dig a trench along Dolly Road, be hardsurfaced county roads in the LaVale and Ellerslie districts for the replacement of a gas transmission line which has deteriorated.

Carl C. Robbins, district manager for the gas company, told the Allegany County Board of Commissioners in a letter that the trench would be three feet deep and 4.465 feet in length.

It would run along Cash Valley, Gramlich Road, Third Street, Long Drive, First Street, Woodlawn Avenue and Allendale Avenue. The new gas line will be of 12-inch size.

The commissioners also received a petition from a group of residents in the Flintstone section requesting that the Cemetery Road, also known as the Dolly Road, be hardsurfaced from the highway to the Pennsylvania State Line. This is a distance of one and one-half miles.

Motel Manager Robbed

BELTSVILLE, Md., Sept. 24 (AP)—Two armed youths early today robbed a motel manager of \$100, forced him into a washroom and fled. The manager, Samuel L. Abrams, told police they appeared to be about 16 and 18 years old. They carried a .45 automatic, he said.

Stutzman, Harris Planning To Attend Union Meet

Two officers of Local 453, Teamsters Union, have been selected delegates to the national convention of the Teamsters Union in Miami, Fla., which opens next Monday.

They are C. E. Stutzman, business agent, and Bernard Harris, secretary-treasurer, both of Cumberland. They were selected by the executive board of the 2,000-member union and approved by the membership at a general meeting.

Stutzman and Harris will leave here Thursday for Miami.

Stutzman said Local 453 represents truck drivers and warehousemen in Cumberland, Somerset, Bedford, Everett, Oakland and other localities in this area. The two delegates of Local 453 will vote along with other delegates of Joint Council 40, which is comprised of approximately 25 locals in western Pennsylvania, the Wheeling, W. Va., area and also of this section. The council has a general membership of about 35,000 men, Stutzman said.

The voting by the Joint Council for president will be as a block and the final decision on the candidate it will support will be made at a caucus in Miami. The council has decided to cast its vote for a candidate on the majority decision of the 65 to 70 delegates, Stutzman said.

Several orchids are among the nearly 500 varieties of wild flowers, ferns and shrubs growing in the Yukon territory.

PPG Names New Board Chairman

Election of Edwin T. Asplundh as board chairman of the Pittsburgh Plate Glass Company, has been announced. He succeeds Harry B. Higgins who is retiring from the position of board chairman and chief executive officer. David G. Hill, president of the corporation since 1955, will continue in that capacity and assume the additional duties of chief executive officer.

Felix T. Hughes was elected vice president of the merchandising division, effective October 1, succeeding Donald C. Burnham who retires.

Higgins is retiring after 52 years association with the company. Asplundh joined Pittsburgh Plate Glass Company in 1919 as assistant superintendent and assistant to the vice president of the Columbia Chemical division. He has served as a director of Pittsburgh Plate Glass Company since 1937 and as a vice president of the firm since 1940. He has been president of Columbia Southern Chemical Corporation, a wholly-owned subsidiary, since 1951. A native of Philadelphia, Pa., Asplundh is a graduate of Penn State University with a B. S. degree in civil engineering.

Rec Department Starts Field Work

Work on the first grass infield at a local ball diamond has been started by the Recreation Department.

Fill is under way at Thomas S. Post ballfield. The area will be completed today, fertilizer worked into the soil and, it is hoped, grass will be planted tomorrow. Work is described as an experiment with the main object to reduce dust originating at the field.

Other work is also scheduled for Stitches field. Soil samples were sent to the University of Maryland to determine the best type of grass to use, the department said.

Fun Night Planned By Local PTA

Plans for a fun night were discussed at a recent meeting of the Parent-Teacher Association of Columbia Street School, the first of the school term. It was decided that proceeds from the event, the date of which was not established, will be divided equally between the school and association.

The principal speaker was Sgt. James Brown of the City Police Department, who emphasized the importance of the School Safety Patrol.

Mrs. John Saville, president, introduced her chairman. The attendance banner was won by Miss Carolyn Bowie's room.

Sewage Report Received By County Board

The Allegany County Board of Commissioners has received a copy of a letter sent to Francis G. Philpot, chairman of the pollution committee of the Shaft Volunteer Fire Company, by George L. Hall, chief of the division of sanitation for the State Department of Health.

Hall's letter was in reply to a complaint made by Philpot's group against sewage being dumped into Georges Creek by Frostburg. The health official said other towns along the creek also are guilty of dumping their sewage into the stream.

Hall mentioned that Frostburg recently withdrew its application for a loan for a sewage treatment plant. He said the rumored cost of \$800,000 for such a project has no validity as no survey has been made of the situation to determine such costs.

Hall said the state agency will continue its efforts to have the communities which are dumping sewage in the stream to eliminate such practices by sewage projects.

Municipal League Council To Meet

The Maryland Municipal League Council will meet Saturday at the University of Maryland, College Park, Mayor Roy W. Eves, League president, said yesterday.

The council, headed by Mayor Thomas D'Alesandro of Baltimore, will map plans for the 10th annual convention and business meeting of the league to be held at the Hotel Emerson, Baltimore, November 14-16. Officers will be elected at the annual session.

Services Planned By Beth Jacob

The congregation of Beth Jacob Temple will observe High Holy Days, marking the beginning of the Jewish Year, with services today, Thursday and Friday.

Services today will begin at 7 p. m. in the temple.

On Thursday services will be held at 8 a. m., 10 a. m. and 7 p. m. Friday's schedule will run the same as Thursday's.

The congregation's annual memorial service will be held Sunday at 11 a. m. in East View Cemetery.

Union Meet Today

The Allegany County Teachers Federal Credit Union will meet today at 7 p. m. at the Board of Education office.

Juveniles To Get Hearing Saturday

A group of Corriganville boys will be given hearings Saturday in Juvenile Court as a result of a breaking and entering.

Edwin R. Lilya, Allegany County's criminal investigator, said the boys broke into a store at Corriganville last week.

The boys were questioned yesterday in the State's Attorney's office. They stole candy, a small amount of money and other items in the store, Lilya said.

Musicians To Meet

A meeting of Local 787, American Federation of Musicians, will be held Thursday at 7 p. m. at the Labor Temple on South Liberty Street.

To Build Home

William Luddeke has obtained a permit to construct a dwelling on Lot 6, Roeth Avenue in Differ Farms Addition. Cost of the 30 by 42 foot brick veneer dwelling is estimated at \$10,000, the building engineer's office reports.

This is the **EDSEL**

"It puts shifting where it belongs"

Edsel Teletouch Drive
lets you shift without lifting a hand from the wheel

You can drive the Edsel—park it—reverse it—rock it—while both hands stay at the wheel. For Edsel's exclusive Teletouch Drive puts the shift controls right where they belong: in the center of the steering wheel.

And all shifting, even into park position, is effortless, because the Edsel actually shifts itself. The Teletouch Drive button you touch signals a rugged, precision "brain," and it does the work—smoothly, surely, electrically.

You'll find the entire Edsel is as original and advanced as Teletouch. The Edsel's elegant lines, its vertical grille and low, wide flight deck promise you that. And the big Edsel V-8's—newest in the world—prove it beyond a doubt.

See your Edsel Dealer for a road-test. Edsel prices range from just above the lowest to just below the highest. You can afford an Edsel. And you can choose from four series, 18 models.

Founders Day To Be October 3

Three new members of Cumberland Branch, American Association of University Women were introduced and meeting dates were announced at the first general meeting of the branch, held at the home of Mrs. Gilbert Miller, Spring Gap. Mrs. L. B. Burns assisted her daughter in welcoming the guests.

A picnic supper was served in the garden. A large bowl of red apples and a cluster of red and yellow apples, from the Miller orchard, were the table decorations. Miss Ruth McColly was general chairman of arrangements. She was assisted by Mrs. Austin D. Twigg, Miss Sara Wright, and Miss Margaret E. Hamilton.

Mrs. John G. Thomas presided at the business session. Mrs. Miles Amick, Mrs. E. E. Miller, Mrs. Virginia Rogers, new members; and Mrs. Elizabeth W. Jo-man, a guest, were presented.

Brief reports of the highlights of the national convention, which was held in Boston in June, were given by Miss Annie B. Gray, Mrs. Aden L. Everstine and Mrs. Thomas, delegates.

It was announced that the art group will meet October 6 at the home of Mrs. R. Finley Thompson, 540 Rose Hill Avenue. Supper will be served before the meeting. Modern art and modern music will be discussed.

The international relations group will meet October 23 at 8 p.m. in the home of Miss Dorothy Willison, 201 Fayette Street. Miss Adele Malcolm will be cohostess. Miss Willison is to tell of her recent trip to Europe, when she visited eight countries. Miss Margaret E. Baker, is chairman of the United Nations trip to be made by students of this area November 4.

Founders day will be observed at the next general meeting. It will be held October 3 at the Ali Ghan Country Club, in the form of a dinner-meeting, at which time charter members are to be honored, and there will be a guest speaker. Mrs. A. J. Mirkin is chairman.

Eta Chapter DKG Begins Program Topic For Year

The program theme for the year for Eta Chapter, Delta Kappa Gamma was announced and a symposium on the subject was presented at the fall luncheon meeting of the sorority. It was held Saturday at Layman's Farm, Garrett County. Miss Ruth McColly presided. "Professional Growth Living a Productive Life," was announced as the theme for the year. It will be developed in programs at each meeting.

A past president's key was presented to Mrs. Gilbert C. Smith, the former Miss Catherine Spiker, who also was extended best wishes for her marriage, solemnized last summer.

The program was in charge of Mrs. J. Russell Cook and was a symposium on the "contributions the individual teacher may make at each period of development." Taking part were Miss Joanne Sterbutzel, first year, home economics teacher at Flintstone school; Miss Anna McLuckie, English teacher at Beall High School, who spoke on what a teacher from 30 to 40 has to contribute; and Dr. Lillian C. Compton, former president of Frostburg State Teachers College, who spoke of the teacher at retirement age.

Dr. Compton touched upon the different work she has done in the school system. She said she has "lived a full and happy life," probably because she believes firmly in public education. She said that although she is retired, she still is very busy and her one ambition is to see Parent-Teacher Associations in high schools in the county.

The next meeting will be December 13 and will be the annual Christmas program and dinner. It is to be held at the Ali Ghan Country Club.

Others attending were Mrs. Clifford Alexander, Mrs. Virgil E. Atkinson, Mrs. Robert Bittner, Mrs. Russell Brown, Mrs. Raymond Crowe, Miss Elizabeth Flake, Miss Margaret E. Hamilton, Miss Ruth Hansen, Mrs. E. Eugene Hilton, Mrs. James Hosack, Miss Yola Hudson, Miss Clare Livasay, Mrs. Edgar McMannis, Mrs. Howard Mignot, Mrs. Lee Mullendore, Mrs. Glenn Randol, Mrs. Erval Reann, Mrs. Edwin Robeson, Mrs. Elsie Hill Roland, Mrs. Harry E. Shobe, Mrs. Gilbert Smith, Miss Ann Thomas, Miss Mabel Twigg, Mrs. Marguerite O'Donald Weakland and Miss Mary Wise.

Condition Of Road Is Discussed

The Town Creek Homemakers Club held a discussion concerning lack of maintenance of the county road, and what could be done to rectify the matter, at the September meeting, which was held at the home of Mrs. Joseph Silber, Town Creek Road.

Announcement was made of a training meeting to be held at the extension office on Friday for clothing chairmen. The Homemakers' tour to Lancaster, Pa., on Saturday, also was announced.

Mrs. Raymond Slider, Mrs. Albert Slider and Mrs. Roy Shryock were appointed on the nominating committee to select a new club president and treasurer for the coming year.

The meeting was opened with the reading of the Homemakers' Creed in unison. The history of the hymn of the month, "Spirit of God Descend Upon My Heart," was then read. Roll call was answered to "Why have you hung the pictures you have in your home?" The meeting closed with the singing of "Swanee River."

The October meeting is to be held at the home of Mrs. Roy Shryock Jr., in the form of a covered dish dinner.

Attending the meeting were Mrs. Raymond Slider, Linda and Gary Slider; Mrs. Ernest Slider, Mrs. Shryock, Mrs. George Reuschel, Mrs. Edgar Matthews, Mrs. Harvey Johnson, Mrs. Ralph Buser, Mrs. Donald Buser and Karen Buser.

F. B. Associated Women Discuss Talent Find

Discussion of the "Talent Find" and "Land Week" tour featured the luncheon meeting of the Associated Women of the Allegany County Farm Bureau, which was held yesterday at Lazarus' Fountain Room. Mrs. Edgar Matthews presided.

The Talent Find contest is being sponsored by the State Farm Bureau. The local contest is to be held the latter part of October or early November. The winner will compete in the state contest, which will be held in conjunction with the annual meeting in January.

Mrs. Marshall Porter, a member of the Maryland Land Week committee, reported the tour will be held October 12. Beginning at the Court House, it will be from 10 a. m., until 4 p. m. and include six stops. Among them will be the Porter model dairy farm at Eckhart and the Union Grove model chicken farm of Ralph Ferguson, county Farm Bureau president; and the study of soil conservation practices.

A Nominating committee was appointed by Mrs. Matthews to select three directors. One will be from District 1, District 5 and District 9, respectively. Other officers will complete the second year of their term. The committee consists of Mrs. Porter, Mrs. Wade Rice and Mrs. Roy Shryock.

Social Chart

A covered dish supper, sponsored by Circle 2 of Zion Evangelical and Reformed Church, will be held from 6 until 7:30 tonight at the church, North Mechanic Street.

The DeMolay Mothers Club will meet at 8 tonight at the Masonic Temple. Mrs. James Dean and her committee will serve refreshments.

Others present were Mrs. Charles Harvey, Mrs. Shryock, Mrs. Rice, Mrs. Vernon Loar, Mrs. Arch Davis, Mrs. Philip Brode, Mrs. Robert Heavner and Mr. Theodore Stegmaier.

Principals Will Meet Monday

The program for the year will be outlined at the fall dinner meeting, of the Elementary Principals Association, which will be held Monday evening at Frostburg State Teachers College, beginning at 6:30.

Paul Arbogast, principal of McCoolle school, will preside at the business session and appoint various principals to serve on the committees. Ralph R. Webster, superintendent of schools, will be speaker.

Other guests will be Mrs. Webster, Miss Winifred Green, Miss Mildred Willison and Miss Betty Flake, elementary supervisors.

Miss Lula Blonsky, secretary; Miss Sara Wright, treasurer; Mrs. Eleanor Tennant, vice president, and Mr. Arbogast, president, comprise the committee of arrangements.

Mrs. Nicklin Talks On Prayer Groups

A talk on prayer groups, their organization, purpose and activities given by Mrs. John Nicklin of Center Street Methodist Church, featured the program at the meeting of the LaVale WSCS, held at the church.

The McIntyre-Walburn Circle was named in charge of flowers for the October Sunday morning services; and the Paddleford Goodfellow Circle, hostess for the October meeting. Mrs. Willis Smith presided at the business session, when various committee chairmen reported. Nancy Horner thanked the society for sponsoring her to summer camp and told of the program. Mrs. Dennis McIntyre led devotions. Refreshments were served by the Heacock-Barger Circle.

Chapter 914 To Observe Anniversary

The 31st anniversary of the granting of the charter will be celebrated by Cumberland Chapter 914, Women of the Moose, tomorrow evening at 8 o'clock.

Mrs. Jeanette Wolfe, the only charter member, and all 25 or more year members will be honored at a special program, following a short business session.

The guest speaker will be Mrs. Marie Haldin, Hagerstown. Mrs. Haldin was appointed to the Grand Council of the Women of the Moose, at the National convention held in Spokane, Washington.

Guests will include members from Hagerstown, Romney, Frostburg, Moorefield, Keyser and Piedmont chapters.

Following the entertainment refreshments will be served.

Forgeries of pictures can be detected by photography, which reveals differences of brush work.

Annual Club Program To Be Oct. 17

The Mapleside Homemakers Club set October 17 for the date of the club Achievement Day at the meeting held at the First EUB Church. The annual program will be held in the form of a covered dish luncheon and display of things made by members during the year.

Mrs. Charles Moore presided. Mrs. L. A. Jewell gave the report of the nominating committee. Mrs. Glenn Diehl was named treasurer. Mrs. Joseph Kuhlman was nominated for president from the floor.

Tentative plans were formulated to attend the demonstration at the Cumberland and Allegheny Gas Company the first week in November. The constitution and by-laws of the club, and a poem were read by Mrs. Kuhlman. Mrs. Frank White spoke briefly on the Lancaster tour for September 28. She urged members to make reservations.

The collect was read in unison. The history of the hymn, "Spirit of God Descend upon my Heart," was given by Mrs. M. Monroe MacKenzie. The hymn was then sung by the group. Roll call was answered to "Why have you hung the pictures you have in your home?" Reports were given by Mrs. Laura Twigg on family life; Mrs. Maude Brotemarkle, on tray making; Mrs. Dolan Lewis, on nutrition; and Mrs. James Weakley on the Fair demonstration.

A list of new members was read by Mrs. Ruth Sewell. They are Mrs. Erma Allison, Mrs. Orrie Burkhardt, Mrs. Robert Johnson, Mrs. Milton Johnson, Mrs. E. E. Miller, Mrs. Carrie Miller, Mrs. Ernest Shanholzer and Mrs. J. H. Sommerkamp.

The meeting closed with a party honoring all having birthdays in September. Guests were Mrs. Marie Lear, Mrs. Virginia Rogers, Mrs. Rosa Lee Hoyle, Mrs. A. A. Weaver and Mrs. A. L. Willis.

MRS. LILLIE MOORE
BISMARCK, W. Va.—Mrs. Lillie Catherine Moore, 79, widow of John L. Moore, died suddenly of heart attack at her farm home here last night.
She was a native of Claysville, W. Va., and a daughter of the late Raphael and Lucinda Fisk Baker, and had lived here for 60 years.
She was a member of the Allegheny Church of the Brethren.
Surviving are a daughter, Mrs. A. B. Cosner, of here, five grandchildren and five great grandchildren.
A funeral service will be held Thursday at 2 p. m. (EST) in Locust Grove Church of the Brethren. Rev. Levi J. Ziegler, pastor, will officiate and burial will be in the family cemetery.

Margaret Rank Heads DAV Auxiliary
Fort Washington Chapter, DAV Auxiliary, installed Mrs. Margaret Rank as commander, with Mrs. Clara Manthey, department commander, officiating. Other officers installed are Mrs. Wilhelmina Grapes, senior vice commander; Mrs. Frances Flesher, junior vice commander; Mrs. Katherine Hollen, chaplain; Mrs. Patricia Zollner, treasurer; and Mrs. Manthey, adjutant.
Everette Herrick, Aberdeen, state department commander, spoke on the cooperation of the chapters and auxiliaries. William DeSoto, Potomac Park, Sixth District commander, outlined his work as a service officer and offered assistance with service disability claims. Mrs. Manthey stressed the importance of membership and reporting work to unit chairmen.
Gifts were presented and refreshments served.

Two Wills Admitted To Probate Here
Two wills were admitted to probate yesterday in Orphans Court. The will of Ralph Broadrup, city, who died March 17, named Daniel F. Deal, a brother-in-law, and Emma Rae Deal, a sister-in-law, and Earl E. Manges, local attorney, as executors. The Deals were named beneficiaries.
The will of Elizabeth Pugh, city, who died August 13, named Matthew J. Mullaney, local attorney, as executor. Sallie Inskeep, a sister, and James David Pugh, Audra Pugh, James David Pugh Jr., and Alfred M. Pugh were listed as beneficiaries.

St. Paul's Gets Property Offer
A tentative offer has been received by St. Paul's Lutheran Church for the church building at the corner of Baltimore and North Centre streets.
Earl E. Manges, local attorney and one of the church officials, said the congregation will meet Friday, October 4, at 7:30 p.m. to consider the offer.

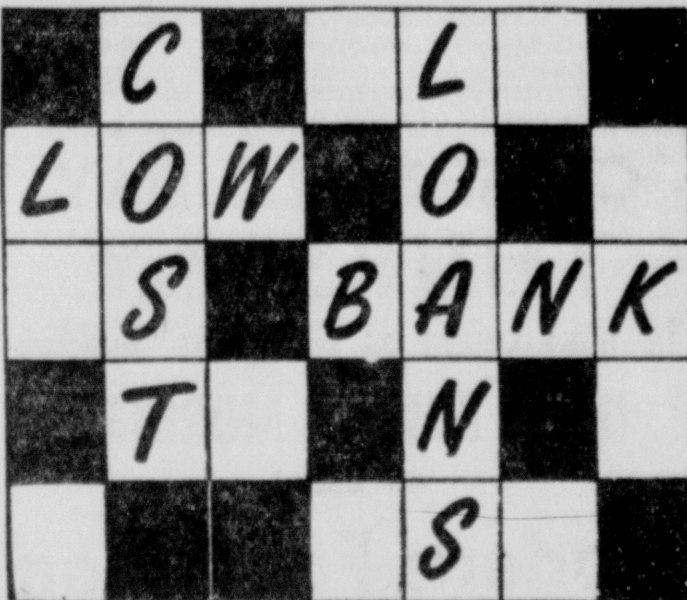

Greece Spurns Plan
ATHENS, Sept. 24 (AP)—Greece today turned down a proposal by Communist Romania for top-level talks aiming to set up an all-Balkan alliance.

Action On Memorial Land Title Is Tabled By City

The Mayor and Council this week tabled for a week an agreement under which it would convey to Memorial Hospital a parcel of land on which the contagious disease ward stands.
The action had been requested by the Hospital's Board of Governors in order that it would be able to use a \$120,000 Ford Foundation grant for which the hospital is eligible, in an expansion program.
The order proposed Monday by council, however, includes a provision that the Board of Governors agree or a reservation be contained, whereby the board could not dispose or encumber the property without consent of council.
Technicalities plus the absence of Street Commissioner William H. Buchholz resulted in the decision to hold up action on the order until next week.
In other action, council authorized Mayor Roy W. Eves to enter into an contract with Elmer Holler and 10 other property owners in the Oldtown Road area allowing them to tap on to the 18-inch water main to Pittsburgh Plate Glass Company. They would be subject to usual fees charged to out-of-town or non-resident users of city water.
Routine measures Monday included authorizing payments of \$4,009.72 to John S. Cook and Son as final payment for work on Massachusetts Avenue sidewalks; \$37.50 to James M. Roby, executor of the estate of Dennis Mank-

anyer representing the city's share of a rebate for nine-months unused portion of a liquor license; and \$1,700 to Carol Antczak for property in the Lake Gordon watershed which was authorized at the February meeting of the Evitts Creek Water Company. Water Commissioner William J. Edwards said the transaction will offer greater protection to the watershed.

Naval Aviation Recruit Team Here Today

An interviewing team for prospective naval aviation cadets will be at the Navy recruiting station, third floor Post Office Building here, beginning at 9 a. m. today, local Navy recruiters said yesterday.

This team will interview qualified men who want to earn an officer's commission and fly with the fleet.

To qualify, a man must be unmarried and between the ages of 18 and 25. He must have completed two years of college training and be able to pass rigid mental and physical tests.

If selected, each recruit undergoes four months of preflight training, which includes refresher in 10 basic academic and technical subjects. If he qualifies, he then is enrolled in eight months of basic flight training. Graduates of this course then go to advanced flight training school, where they learn to handle single and multiple engine land and sea planes.

Young men enlisting under this program must agree to serve 48 months, and to remain in reserve status eight years thereafter. Pay for cadets is \$11.15 per month

plus \$50 a month flight pay. An ensign or second lieutenant is paid \$100 a month flight pay in addition to regular base pay and basic allowances according to grade.

Recruiters here said the Navy is currently seeking aviation cadets and this is an unusual opportunity for area men who may be interested and can qualify.

Deale, Md.,

(Continued From Page 18) newsmen, who attended the meeting.

Max C. Schwartz, real estate man and president of the chamber, emphasized to all those present that the meeting was not pro or anti-integration and that he wanted no discussion of that matter.

Selby said he thought it also should be clarified that Ruby Downs, identified in news stories as a two-term former president of the chamber, has not been a member of the chamber since last year.

Downs, a real estate man, rented the building in which first grade classes are being held and in which plate glass windows were broken by brick throwing segregationists. He had made statements that the incidents were the work of a small group of townspeople.

The chamber has 55 members. Schwartz said he had discouraged a large crowd, because he felt it would interfere with the purpose of the meeting.

The megapode of Australia is the only bird that is able to fly the moment it is hatched.

Commissioners Sell Old Pekin School

The Allegany County Board of Commissioners yesterday unanimously agreed to sell the abandoned two-room Pekin School to the Community Center organization for \$100.

This action was taken after Mrs. William Muir Sr., Mrs. William Johnson and Mrs. Lillian Kiddy appeared at the Court House to ask that the organization be allowed to buy the old school.

When questioning revealed that the group was willing to pay \$100 for the school which has been abandoned since the elementary schools of that area were consolidated in Central Elementary School at Lonaconing, Commissioner James Orr moved that the building be sold for that amount. Commissioner C. N. Wilkinson seconded the motion and Commissioner William H. Lemmert concurred.

Huntington Man Heads Kiwanis District

HUNTINGTON, W. Va., Sept. 24 (AP)—Dr. Clarence L. Turner, Huntington chiropractor, was elected governor and J. E. (Jack) Cruise of Clarksburg was reappointed secretary of the West Virginia district of Kiwanis International today.

The election came at the end of the district's 38th annual convention. Martinsburg was chosen as the site of next year's meeting, the dates of which have not been set.

Finance Head Sees \$37,984,221 Taxes For W.Va. Schools

CHARLESTON, W. Va., Sept. 24 (AP)—Local level property taxes from West Virginia's 55 counties are expected to amass \$37,984,221 for public schools this school year, according to William K. Hamilton, supervisor of school finance.

Hamilton announced the figure today in a report to the State Board of School Finance. He explained that the funds are estimated from tax rates levied against assessed values of property.

An estimated \$33,328,771 in receipts for the schools' current expense operating budget is included in the tax report, with \$706,540 estimated for permanent improvement and special purposes and \$3,948,910 estimated for payment of interest and principal on bonded indebtedness. The bonded indebtedness, according to Hamilton, totals \$41,284,500.

Shooting Victim Is In 'Serious' Condition

The condition of Oliver E. Landis, 60, of RD 1, Keyser, who was admitted to Potomac Valley Hospital in Keyser in serious condition Monday night with a gunshot wound, remains unchanged.

Sheriff Walter Mott of Mineral County said he visited Mr. Landis at the hospital yesterday but was unable to talk with him about the shooting, which occurred Monday afternoon. Mr. Landis was taken to the hospital by the Keyser Volunteer Fire Company.

Police said Mr. Landis has been in ill health for the past 10 years and lives with a son-in-law and daughter, Mr. and Mrs. Otis Borror.

Mayor Asks Copies Of Tax Source Study

Mayor Roy W. Eves yesterday asked Mayor Thomas D'Alesandro Jr. for copies of a report on possible new sources of taxes in Baltimore.

The report was submitted by a committee headed by former Judge Joseph Sherbow.

Clinic Is Planned

The Health Department will hold a child health clinic Thursday at 10 a. m. in Frostburg.

Four Workers Held For Strike Violence

FREDERICK, Sept. 24 (AP)—Four workers were under bail totaling \$1,525.80 today on charges stemming from two picket line incidents at the strikebound M. J. Grove Lime Co. here.

Each incident involved the smashing of a truck windshield as the vehicle left the picketed plant.

Assault and battery charges were filed against Joseph Lee Hagan, 24, of Brunswick and Ralph M. Creager, 29, of Burkittsville. They were accused of throwing stones at a truck after it left the plant with a load of cement. Each was held in \$500 bail for a hearing Oct. 9.

In the other windshield-smashing case, Walter Fleming, 54, of Monrovia, was charged with malicious destruction of property and was placed under \$500 bail, and Francis Albert of Thurmont was charged with disorderly conduct and placed under \$25.80 bail.

Missing Youth Returns To Home

An 11-year-old LaVale boy who set off an organized search for him when he was reported missing yesterday has returned to his home, Maryland State Police said last night.

A large group of volunteer firemen organized the searching party Monday night when William Fulton of 75 Eleanor Street was reported missing by his foster parents, Mr. and Mrs. Alfred Jaehn. The lad had attended school yesterday morning, then was last seen on U. S. Route 40 after eating lunch at home.

State Police said the family notified them about 7 o'clock last evening that the boy had returned home.

Short Gap 4-H Elects Gary Isner

Gary Isner has been elected president of the Wise Owls 4-H Club of Short Gap, W. Va.

Others elected at a recent meeting included Philip Dayton, vice president; Lawrence Tracy, secretary; Barbara Johnson, treasurer; Jerry Watts, recreation leader; Janet Brelsford, song leader, and Janet Watts, reporter.

Mineral County Agent Joseph W. Wimer and Mrs. Douglas Veach, home demonstration agent, attended the meeting along with Mr. and Mrs. J. F. Bowers Jr. and their son, Jim. The club will meet the third Friday of each month at Wesley Methodist Church in Short Gap.

LaSalle Classes Plan Homecoming

Tentative plans for a jubilee homecoming in celebration of the 50th anniversary of the Christian Brothers in Cumberland were made by representatives of graduated classes of LaSalle Institute and LaSalle High School last night at the school.

Approximately 25 members of school classes attended the meeting. The homecoming program will be sponsored by the Men of LaSalle.

W. Edward Neus, chairman of the committee for arrangements, said last night that it will be the first homecoming celebration ever held for the school.

Kiwanians To Hear Dean Of College

John R. Ridge, assistant dean of the College of Mineral Industries of Pennsylvania State University will speak to the Kiwanis Club at its luncheon meeting Thursday noon in Central YMCA. His topic will be "The Mineral Industries Need Young Men."

Gridder Shaken Up

Daniel Athey, 14, of Route 2, city, was "shaken up" during football scrimmage yesterday at Fort Hill High School. The youth was examined at Memorial Hospital and released. Attendants said he apparently had been kicked while practicing, but did not appear to be hurt.

Probe Progresses

BALTIMORE, Sept. 24 (AP)—State Police Maj. William H. Weber said today the investigation into reported immoral conduct by two high ranking Baltimore police officers should be completed in three to four days.

Weber said about 10 persons are scheduled to be questioned.

S. A. League Plans Harvest Festival

The Women's Home League of the Salvation Army Citadel will hold its annual Harvest Festival Tuesday night, according to Capt. Daniel Biggs.

The event will be held October from 6 to 9 p. m. at the Citadel and will feature the sale of baked and canned goods.

Funds raised at the festival are

used to support the missionary work of the Salvation Army.

POTWATCHERS

Save 182 hours of potwatching a year.
Get a Burner-with-a-Brain GAS Range.

The average woman cooking for four people spends around two hours each day getting meals. And out of that two hours, at least 30 minutes are spent just watching food to make sure it doesn't burn, scorch or boil over. Figure it out—that's 182 hours of potwatching a year!

But a new GAS range, with its automatic top Burner with a Brain, saves you all that time. Even more important, it won't let foods burn. It raises and lowers the flame auto-

matically, keeps the exact temperatures you dial. You never have messy boilovers to clean up, scorched pans to scrub, burned food to throw away.

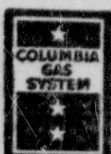

And if someone's late for a meal, you can keep food serving-hot longer than you've ever been able to before. Even mashed potatoes stay moist and creamy for 50 minutes or more.

Go modern! See the Burner with a Brain demonstrated right away.

It's Not Just Baby Shoes Now

New trend of interior decoration of automobiles is fascinating. A driver who hadn't given any thought to the subject got behind a car with a cat showing through the back window the other day. Had big eyes that flashed alternately. Nearly had him running through a red light as he hustled helplessly.

Overstuffed toy dogs peep at a leonard from that ledge behind the back seat. If they and the big velvetted teddy bears and pussycats and even skunks don't obscure all the driver's vision by his rear view mirror, they blank out a good part of it.

But it is the front part of the cars that the fancy of the teen-age boy or the young married couple takes hold for fair. The perennial pair of beat-up, gilded baby shoes hanging from the mirror is still the favorite. But see that pair of dice, three inches cubed, swinging from another mirror? Or that miniature pair of boxing gloves?

The manager of a car accessory store has this to add: "Thank heavens, the craze for shrunken human heads to hang on mirrors is tapering off!" Very deathlike they look, too, whether or not any of them were the genuine article from the Amazon jungles.

Speaking of human items, a driver saw three almost identical pony tails as he looked into a car from behind the other day. The driver had one hanging down her neck. So did her companion beside her. And right between them was a third one not attached to any girl. It was a fox tail or some such bushy plume of the same size and color — hanging from the rear view mirror. The effect was quite startling.

These Days

By George E. Sokolsky

Mankind In Fragments

One of the effects of the upsurge of nationalism throughout the world is that the human race is being broken into fragments which are constantly becoming smaller. The end of this process is not in sight. One of the immediate and disastrous effects of intensive nationalism is the stimulation of nationalistic and racial hatred.

For instance, the Malayan Federation could not include Singapore, which is the most important city of Malaya, because Singapore is at least three-quarters Chinese. The Chinese of Singapore, like all Chinese anywhere, are divided into three essential groups, the supporters of Chiang Kai-shek, the supporters of the Chinese Communists, and those who still believe that a "third force" could develop on the mainland of China. These groups hate each other, fight constantly and intrigue for domination. But in Singapore they might combine against the Malays and the British.

Similarly on the island of Cyprus, nationalism is developing an increasingly unpleasant situation. One might say that a Cypriot is a person who comes from Cyprus, which is 40 miles from Turkey and 600 miles from Greece. But that is strikingly oversimplified. A Cypriot may regard himself as a Greek or a Turk, depending upon which language he speaks or which church he attends. Racially, he may descend from anywhere or any race, from the Hittites to the Greeks, to the Egyptians, to the Crusaders from northern Europe. But today the Greek-speaking Cypriot has been stirred up to believe that it is his destiny to belong to Greece, and the Turkish-speaking Cypriot believes that he must belong to Turkey, and over this island, which is no longer strategically important because of the airplane, could come a war involving the entire human race.

Such great land empires as Soviet Russia, Red China, and India comprise many races and nationalities and varieties of languages and these are beginning to assert themselves in varying degrees of autonomy. For instance, the Communist state of Kerala in India is composed of layers of differing peoples who are unlike other peoples of India and who found in Communism self-expression which if it spreads throughout southern India could cause havoc in that country.

Arab nationalism, according to the Arabs, is something that has always existed, which cannot be so because the Arabs have not always existed as a separate and distinct nation. Is Egypt an Arabic country? Look at the history of Egypt from the Hyksos to the present day and see what a mixture of peoples have lived in, conquered or been conquered in that country. Who were the Macedonians who set up Ptolemaic Egypt? Were they Greeks? Were they tamed Celts who also once lived in Macedonia? If they were Greeks, what kind of Greeks were they, for there were many kinds of Greeks from the ancient Minoans to the rugged Spartans? If you like arguments of this kind, you can spend a life-time on this subject. Or if you have the time, you can wax most enthusiastically trying to explain how an Illyrian becomes an Albanian and a Moslem Albanian a satellite of the atheistic Kremlin.

Even in the United States, the racial problem as between whites and Negroes, as between whites and Mexicans, as between whites and Puerto Ricans intensifies each year and is now, in some stages, climactic. The rule that all men are equal raises the question as to what is meant by all men and what is meant by equal.

In fact, to deal with this problem the White House tried to turn the FBI into a national police force which would have been a national calamity were not J. Edgar Hoover alert to the danger of unconstitutional means to achieve constitutional ends.

And because we are of such a variety of origins, we have brought into our lives all the quarrels and disagreements and over-emphasis of Europe, Asia and Africa to say nothing of our own smaller and only justifiable minority, the wards of the nation, the American Indian.

And so we have reached that stage in civilization when we must ask who is better than whom and how long were your ancestors civilized before mine were — which is an absolutely and conclusively silly question because mine were the first to be civilized and if you don't believe it read the Book of Genesis which says so. So there!

Can't Keep It In The House

Legal Resistance Is Not Defiance Of Courts

By David Lawrence

WASHINGTON — How many persons who have been reading lately about the legal troubles in Arkansas know that, without a test case in the courts, there is actually no way of finding out what the Constitution means? How many know that every citizen has an inherent right to dispute a court ruling and that this does not necessarily mean "defiance" but an orderly attempt to establish what the "law of the land" really is?

Yet, judging from the harsh criticisms hurled at the governor of Arkansas, there is a popular belief that the federal government exercises some sort of dictatorship and that anyone who challenges its action in the normal course is guilty of "insurrection."

No ruling as to what is or is not Constitutional has ever been rendered by the Supreme Court of the United States at any time except when the workings of a particular statute of Congress or of a state law have been disputed in a court proceeding. There is no such thing as an advisory opinion in advance by the Supreme Court of the United States. Somebody in the first instance has had to disregard the application of the statute or the decision of a lower court so as to bring about the issuance of an injunction decree and the making of a case that the highest court could receive for decision. Whenever the Supreme Court refuses to review a case, the lower court ruling stands.

Again and again the Supreme Court has ruled that neither a governor nor the commander of state troops can be arrested nor interfered with by a court order when discharging normal duties and when there is no criminal charge of a personal nature involved. The Supreme Court of the United States once said: "All persons in the public

service are exempt, as a matter of public policy, from arrest upon civil process while thus engaged."

So the Arkansas case today raises some novel questions and the only way to resolve them is by court proceedings. The governor has promptly complied with the lower court's decree and has filed an appeal to a higher federal court. The attorneys for Governor Faubus were well within their rights in refusing to remain in the court room last Friday after they had forthrightly stated the issue. They declared, as attorneys for the governor, that Governor Faubus and his military officers "cannot and will not concede that the United States Government in this court or anywhere else can question his

(the governor's) judgment and discretion acting as chief executive officer of the sovereign state of Arkansas in the performance of his duties, or question his acts under the Constitution and laws of the state."

Unfortunately for the American people this very case may never be decided either way by the highest court. It is the habit of the Supreme Court to avoid making any rulings on constitutional questions whenever it can refrain from doing so. The probabilities are that the highest court will dismiss the appeal as "moot" because the withdrawal of the National Guard will have removed the issue from the actual to the academic. Some other case involving a suit against the fed-

Baering Down On The News

By Arthur "Bugs" Baer

Democratic swing in Wisconsin means the clam-digger is tired of hearing Aristides called The Just.

One black-ball is not a summer in politics or a pool-room. You can fill your hat faster up at Smith Brothers cough-drop factory.

But coming events throw out feelers like an octopus turning a corner.

It proves there is a monotony of success as well as failure.

The Republicans are working on the postscript half of a twopenny lease. Franklin Delano's record of four interlocking terms will stand until trout fishermen

bait Chinese shooting crackers.

There will never be another four-timer or a three-timer. What we'll have from 1960 on will be two-timers.

In 1960 the shoe will be on the other foot-note. The GOP will probably shoot with Nixon or some other manipulated proxy. Politics has more strange bedfellows than the freak Pullman of Barnum and Bailey.

Here's how slogans shrink like a coward's scalp. In 1952 it was "We Like Ike." In 1956 it was "We Like." In 1960 it will be just "We."

Then the GOP will be on its own like a setting hen.

Hunters Should Hunt Animals, Not Hunters

By Dr. Theodore R. Van Dellen

This is the season for slaughter. Thousands of hunters go into woods, lakes, and fields for deer, pheasants, ducks, and rabbits. Humans as well as game lose their lives. More than 2,200 persons are killed annually and three-fifths of the victims are shot by members of their own hunting party.

"I didn't know it was loaded" is a useless alibi. Deaths could be reduced if every gun were regarded as loaded and if a gun never was pointed at anything you don't intend to shoot. Careless handling of this weapon is an unpardonable sin and anyone who is guilty never should be

asked again to go hunting. He is not a sportsman but a lethal companion.

The safety record of the teenager as a hunter is as bad as his driving record. According to statisticians of the Metropolitan Life Insurance company, 90 per cent of all deaths from hunting are in this age group. Carelessness, over eagerness, and excitement play a role. Experience is a great teacher and this includes constant practice in safety precautions. The hunter tends to become more careful with each trip.

The etiquette of handling a gun is well known. A loaded gun never should be carried in the car or left unattended, indoors or out. The same can be said when climbing fences or taking time out to eat lunch or to rest. Never pull a gun toward you from a boat, car, or fence.

Walking side by side is the safest way for hunters. Walking tandem is less desirable but if it is done the first man should point the barrel forward and down and the second should point it backward. Explosions occur now and then when the barrel is blocked by dirt or mud. To avoid this pitfall, examine the gun before loading.

Middle-aged or older men should avoid overexertion, especially sedentary workers. Every year, heart attacks fell hunters who are walking thru the bush or retrieving game. Don't try to lift a fullgrown deer or drag the carcass miles to the car.

THICKENED PALMS, SOLES H. P. writes: Is there any cure for keratitis palmaris et plantaris?

REPLY Not to my knowledge. In this condition the palms and soles are thickened from birth. The skin is yellowish and the surface smooth, pitted, or horny. Temporary ray therapy or ointments counteract may be achieved with X-taining salicylic acid or resorcin.

AFTER TONSILLECTOMY Mrs. D. writes: My 17 year old daughter expects to sing profes-

Huge Aircraft Carriers Operate With Precision In 'Enemy' Attack

By Drew Pearson

(Drew Pearson is reporting on the U. S. 6th Fleet maneuvers in the Mediterranean.)

ABOARD USS FRANKLIN D. ROOSEVELT. — At 5:30 this morning a call to battle stations sounded over the ship's loud speaker. I fumbled my way on deck in my pajamas. On the way I looked in the galley and asked the Filipino mess boy: "What's the alarm for?" "This is exercise in case of war."

"What are you doing?" "Making coffee."

"Don't you have to go on deck and fight?" "Later. Men need coffee in case of war too."

The Mediterranean was warm and balmy in the early grey dawn, not a ripple, much too pleasant for war. Shadowy figures passed me in the dark, going to battle stations. Close by they manned a 3-inch gun. Some of them looked groggy for lack of sleep, and I learned later that they had been working almost round the clock, as men on a warship must in peacetime battle maneuvers, as well as war.

The 5-inch guns below me began pointing up, down, fore and aft, as at an approaching enemy. On the flight deck a jet sky-raider warmed up, felt the jerk of the catapult and roared off the ship to watch for enemy planes. The

force of the air, backwashed from the jet, almost knocked me over. The crew launching her, lay flat on deck or ducked to the catwalk below. One man who crawled beneath her to release the holding cable, rolled over and over to get out of the steam, then covered his face with his arms to escape the heat. This was routine. He wore a special headgear with goggles and soundproof ear muffs. Even at a distance, the heat was terrific.

Enemy Attacks

A British Canberra had been located forty miles from the U. S. 6th Fleet formation, near enough to drop an atomic bomb. Fortunately she was British — not Russian — from the NATO fleet off Malta. Approaching at 500 miles an hour, she had to be intercepted, and jet after jet zoomed off the Roosevelt's flight deck, an average of a minute apart, to search the grey Mediterranean for this simulated enemy.

Off the starboard side, a helicopter began to dance low over the water, like a sea-gull barely skimming the waves. Called an "Angel", it stays in the air to rescue men when the carrier is launching planes. But there were no men to rescue and the copier did a hop-skip-and jump over the water like a school girl at recess time.

A dove flew onto the gun turret just below me. We were a long way from either Greece or Italy and it must have flown many miles. It looked tired. The gunner's mate held out his hand—a friendly hand—but the dove flew off. In contrast to the dancing helicopter, it could hardly move.

Soon it came back, tried to light on a radio antenna, couldn't make it, finally fluttered onto a lower deck. No place for a dove to rest in the tense, suspicious Near East except a warship. That may be symbolic.

Things I didn't know before about an airplane carrier—toughest job on a carrier is parking planes. If you think parking your car downtown is tough, take a look at the problem of Lt. Com. A. E. Monahan, Couer d'Alene, Idaho, flight deck officer of the Roosevelt. He has 70 planes to juggle around, can't keep any of them on the runways, has to park them with split second timing as homing jets land on the carrier minutes apart. Monahan operates a chart nicknamed "the

Weeje Board" which tells him where each plane is, whether it's fueled, being repaired, whether the wing tanks are to be fueled etc. Operations on the flight deck move like clockwork. They have to. A mistake means a life. Every man has his job, and his Jersey is colored to designate that job. A man handling gasoline, fire-extinguisher or ordnance wears a red jersey. A man wearing green handles the catapult and launching gears; blue are pushers to get planes off the deck; orange are plane haulers who drive little tractors like baggage men in a railroad station. Yellow is worn by flight directors, while brown by maintenance captains. K. E. Humphries, River-ton, Wyo., showed me how he made sure a Banshee was in good shape before he turned her over to the pilot, had to sign a statement to that effect.

Things you may not know about carriers—Salt water is pumped into the bottom of gasoline tanks as the gas is pumped out. This is to prevent gas fumes and explosions in half empty tanks. The salt water remains in the bottom, doesn't mix with the gasoline. The flight deck of the FDR is 94 broad it equals the width of the Queen Mary and Queen Elizabeth placed side-by-side. The repair and maintenance deck of the FDR looks like the biggest garage in the world. The crew of the FDR consumes 16,630 loaves of bread per day, 35,000 pounds of fruit and vegetables, 100,000 cups of coffee per day, almost no tea, 62,500 cups of milk per day, and 23,750 pounds of meat. The man responsible for making this edible is Chief Cook Ralph Potito, formerly of Boston, now from St. Petersburg, Fla. He has 175 men under him, including Bakers Paul Raddatz of Annapolis and Frank Thompson of Pensacola who bake better butterscotch pies than I've ever eaten ashore. According to Airman Ed Brock, Lake Charles, La., sailors are reading about as much history as fiction. When the FDR lands in Athens, Rome, Istanbul, there's a run on the ship's library for history books about those countries. It takes three barbershops to cut the hair of the FDR's 3,000-man crew, a cobbler's shop to repair their shoes, four soda stores, a tailor's shop, two ship's fountains, one dry cleaning plant, to say nothing of four doctors. The ship's power plant is capable of providing electricity to 4,000,000 homes.

The Chow Line

By Bob Considine

NEW YORK—(INS)—The Mayflower Hotel in Washington now features dishes which were the favorites of bygone Presidents of the United States. There's been a reported run on Andrew Jackson's hawg jowls and grits.

Years ago in Washington we had a timid government clerk who had a friend working in the kitchen of the White House. Each day the clerk, a lonely man caught on the flypaper of Civil Service, would call his friend and ask what the President was having for lunch. Then he'd go out and buy an identical meal.

We often think of him and wonder how he fared, as figuratively he sought the meat that sustained successive Caesars. Did he waste away on Coolidge's soda crackers and skimmed milk? What happened to the old waistline under Hoover, and how did his system stand up under F.D.R.'s gulped desk-side sandwiches? Where did he find the chile, while Truman was in? And how could he afford Ike's favorite: a thick sirloin rolled in salt, heavy pepper and garlic and cooked in, not over, live charcoal?

It could make a short story, or a TV spectacular. The poor soul expects each President's food to bring out the tiger or leader in him, but he seems doomed to be just run-of-the-mill until the triumphant day when he knows his years of experimentation were not in vain: he comes down with ileitis.

Prince Michael Romanoff, of B. V. Hills, San Francisco, Palm Springs and Graustark, has sold his life story to Hollywood for \$100,000—roughly the cost of dinner at his place. We wish our friend well and would suggest that he impersonate himself. Hiring an actor to play the part would be redundant, an impersonation of an impersonation.

Mike has the most magnificent imperturbability of any man in his business. One night in his

Beverly Hills place a young lady, dining with George Jessel, became piqued—if that's the word —snatched off George's brand new toupee and flung the rug into his soup.

Mike glided easily into the scene, picked up the only fur-bearing minkstone he had ever seen, and delicately carried it into the kitchen. The serenity of the salon-like saloon was restored.

All was not lost. George now wears the wig as an eyebrow.

The American Weekly recently ran a general knowledge test which is given to eighth grade students, and we suggested that few of our friends in the international set could pass. A fine Brooklyn housewife, Maureen Thompson, writes that her husband, George, got 11 out of 15 answers.

George graduated from St. Agatha's Grammar School in Brooklyn and Erasmus High. He is 40 years old, a laboring man, no desk job, but an avid reader. I think he deserves a few words of praise from the little woman.

George, old boy, you've got what kings can't buy.

Howard Hughes' "Jet Pilot," starring John Wayne, has been in the making and in the can for a long time. Yet it opens as fresh as the headlines of a few days ago—the landing of a Russian jet on U. S. soil.

In the picture, the Soviet flier turns out to be Janet Leigh. In real life, we got Gromyko. Gromyko's a character. At a UN cocktail party in the Rainbow Room atop the RCA Building a couple of years ago, someone said to him, "It's a pity it's foggy and rainy today, for otherwise we'd have a grand view of the city." The dour and very smart Russian diplomat nodded gravely and intoned, "And tomorrow I'll be blamed for this in The New York Times."

You're Telling Me!

By William Ritt

Most animals have brown eyes —science item. This, of course, points out Grandpappy Jenkins, doesn't include that oft-heard-of green-eyed monster.

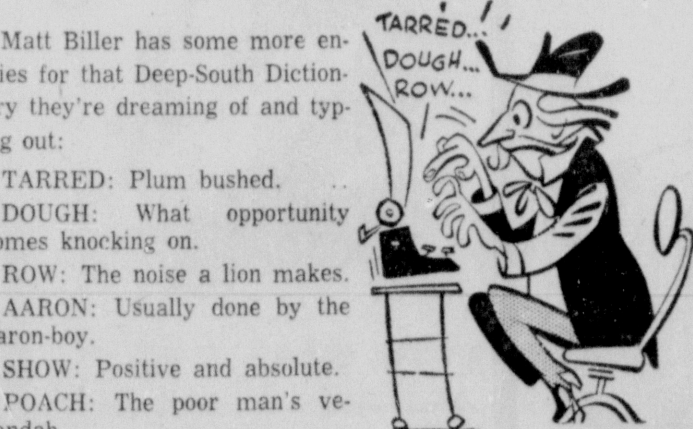

Tranquilizing drugs are fed to apes in the Washington zoo —news item. Trying to make pet monkeys out of gorillas?

Things must be pretty quiet in England. It's been several days now since London newspapers

last got excited over something the royal family did or didn't do.

A two-day strike is staged by French bakery employees and grain merchants. Don't know what's cooking over there—but we sure know what ain't baking!

Another science item tells us termites have very low intelligence. Yet, when they attack a book, they devour it word-by-word.

By Bennett Cerf

Matt Biller has some more entries for that Deep-South Dictionary they're dreaming of and typing out:

TARRED: Plum bush.

DOUGH: What opportunity comes knocking on.

ROW: The noise a lion makes.

AARON: Usually done by the aaron-boy.

SHOW: Positive and absolute.

POACH: The poor man's v-e-r-a-n-d-a-h.

FOE: What comes after three.

GNAW LENS: The place where they have the Mardi Gras.

Mrs. Ivy Baker Priest, treasurer of the United States, was asked, "Isn't it unfair that the por-

trait of a woman never has been used on U. S. paper money?" "Listen," smiled Mrs. Priest, "we women don't care whether or not our faces are on the bills, as long as we can get our hands on them."

Oakland Civic Clubs Begin Fall Programs Tonight

State, District Officers Guests

OAKLAND — Mrs. Charles O. Middlekauf, Hyattsville, president of the Maryland Federation of Women's Clubs will be a guest here this evening at a joint dinner meeting of the Oakland Civic Club and the Junior Woman's Civic Club. The dinner will be served at the William-James Hotel at 6:15 o'clock and marks the beginning of the fall activities for the two civic organizations.

Mrs. Middlekauf will head a panel discussion of club work in the district, state and at the junior club level. Other out of town guests will include Mrs. Edward Storm, Frederick, president of the first district of the Maryland Federation; and Mrs. William Gullett, College Park, director of Junior Clubs in the Maryland Federation.

The program chairman is Mrs. E. Irving Baumgartner, immediate past president of the First District. Hospitality chairmen are Mrs. Neil C. Fraley, senior club; and Mrs. Willis Shaffer, junior club.

Officers of the senior club this year are Mrs. O. T. Graser, president; Mrs. Earl Zepp, first vice president and program chairman; Mrs. Roger Tower, second vice president and hospitality chairman; Mrs. Arthur Jones, recording secretary; Mrs. W. W. Grant, corresponding secretary; and Mrs. Merle Cargo, treasurer.

Officers of the junior club are

MRS. C. O. MIDDLEKAUF

Mrs. James McHenry, president; Mrs. William Treacy, vice president; Mrs. William Hesen, recording secretary; Mrs. Wilbur Close, corresponding secretary; and Mrs. Wayne Pritts, treasurer.

At the dinner tonight, Mrs. John Getty of the junior club will offer the invocation. Mrs. James McHenry will lead the flag salute. Mrs. Earl Zepp will offer the collect and music will be provided by Mrs. Russell Brown, music chairman of the senior club.

Forest Product Exhibits Set For Festival

ELKINS — "The Tree, the Farmer, the Lumber Industry, and the Citizen," will be the theme of an extensive West Virginia Forest and Forest Products Exhibit which will be a feature of the Mountain State Forest Festival at Elkens October 3, 4, and 5.

A. R. Templeton, chairman of the Festival's Agriculture and Forestry committee, said today that federal, state and local forest agencies are joining with the state's lumber industry in placing the exhibit which will be housed in a large tent in the downtown section of Elkens.

The committee is made up of professional foresters and lumbermen from all sections of the state.

The exhibit will emphasize such phases as disease control, fire prevention, watershed development, the soil bank program, the walnut industry, the paper industry and many finished wood products.

Agencies participating will include the State Conservation Commission, the U. S. Forest Service, the State Department of Agriculture and others.

Piedmont Plans Parking Lot Illumination

Piedmont — The town of Piedmont plans to brighten their parking lots in the near future.

Oscar Lashley, Hagerstown, lighting consultant of the Potomac Edison Company, discussed the type of lighting necessary to improve the illumination of the town's No. 1 parking lot at the intersection of Ashfield and Third streets and No. 2 lot running on Lyons Street between Third and Second streets at a special meeting of Mayor Rodney Baker and City Council Monday evening.

The price of 10,000 lumens fluorescent would be \$8.50 per light a month and the mercury-type light \$7.90 per month. The company would provide pole and lighting fixtures without cost.

Council discussed the placing of one light in a dark spot on No. 1 lot, the placing of three lights on No. 2 lot, one at either end of the lot which is about 240 feet long and one about the center of it.

After considerable discussion Lashley said his company will make further investigations about the most practicable places to put necessary poles and about securing permission from adjacent property owners on No. 1 lot.

The Potomac Edison Company was also represented at the meeting by Wilbur Cather, local manager, and T. Warner Lowery, Keyser, district manager.

Beall Elementary PTA Hears Mrs. Isiminger

FROSTBURG — Mrs. Ralph Isiminger, Cumberland, was the speaker at the first meeting of the Beall Elementary School Parent-Teacher Association held Monday evening.

The invocation was given by Rev. Wesley Harris, pastor of Welsh Memorial Baptist Church followed by a musical program presented by Mr. and Mrs. Peter Lukas.

Earl Brain, principal, presented the need to the association of six record players and library books to be used in the school. Their cooperation was asked in securing them during this school year.

The annual PTA dinner will be held this year in March.

Mrs. Raymond Souder led the group singing accompanied at the piano by Mrs. Reford Aldridge. Refreshments were served at the conclusion of the meeting.

Cub Pack Opens Season Tonight

FROSTBURG — Cub Pack 44, sponsored by Hill Street School PTA will hold their first meeting for this school year at 7:30 p.m. today at the school. Boys from the ages of 8 to 11 who wish to join the Pack are requested to be present and accompanied by at least one of his parents.

Garrett Co. Woman Fined For Beer Sale

Purchase By Minors Costs Her \$500

OAKLAND — A \$500 fine was imposed yesterday upon Margaret Cimarosa by Associate Judge Neil C. Fraley in Garrett County Circuit Court on a charge of selling beer to minors.

The woman, who operates The Barn near Deep Creek Lake, entered a plea of guilty.

Two jury trials yesterday resulted in non-guilty verdicts.

Harry Stemple and Charles Stemple, Oakland brothers, were found not guilty of burglary by a jury which deliberated about one hour. The brothers were accused of breaking into the coal mine of Keith Steyer between Loch Lynn and Gorman and stealing mine equipment but were acquitted.

Another jury acquitted Albert Tasker, who operates the Maple View Inn near Deer Park, on a charge of selling beer on Sunday.

Kenneth Friend, operator of the Bear Creek Tavern near Friendsville, was fined \$200 by Judge Fraley after having pleaded guilty to a gaming device charge. State's Attorney Stephen R. Pagendhardt said Friend made cash pay offs on a pin ball machine.

Dale Uple, of Deer Park was found guilty by a jury on a charge of non-support of his wife and children. Judge Fraley did not pass sentence upon him immediately.

The judge also requested a presentence investigation by the State Probation and Parole Department in the case of Dean Sines of Loch Lynn, who pleaded guilty to grand larceny. He is accused of having taken parts of a sawmill belonging to Thomas J. Johnson near Swallow Falls.

Daley Lewis, who was found guilty by Judge Fraley of non-support, was ordered to get a job within 60 days and begin supporting his family or face a two-year sentence in the Maryland House of Correction.

Area Sailors Participate In Fleet Exercise

Four area sailors are taking part in "Operation Strikeback," a large scale naval and air exercise in North Atlantic waters this month.

They are Guy R. Runion, seaman, USN, son of Mr. and Mrs. Alton B. Runion, 123 Carroll Avenue, Keyser, who is aboard the radar picket destroyer USS Charles B. Cecil, Jack I. Merising, boilerman fireman apprentice, USN, of Route 1, Box 50-H, Oakland, aboard the destroyer USS Harlan R. Dickson.

Lloyd A. Ritchie, seaman, USN, son of Mr. and Mrs. Perry A. Ritchie of Spring Gap and husband of the former Miss Roberta A. Lafferty. He is aboard the radar picket destroyer USS Corry, and Richard D. Metz, machinist's mate third class, USN, son of Mr. and Mrs. William F. Metz, of 190 Front Street, Westernport who is aboard the destroyer USS Brownson.

Nations taking part include Canada, France, Norway, the Netherlands, United Kingdom and the United States.

Mary-Martha Class Plans Election

FROSTBURG — The Mary-Martha Class of First English Baptist Church held its annual chicken dinner a recent evening at Layman's farm, Garrett County.

A business meeting was held following the dinner with Mrs. Peggy Miller, class president, reading the scripture. Mrs. Edna Knepp read the minutes. Mrs. Peggy Fuller led the group in prayer. The class discussed the missionary circles recently formed in the church.

Mrs. Miller named Mrs. Ruth Duckworth, Mrs. Dortha Harvey and Mrs. Lola Bittner as a nominating committee to select officers for the coming year. The meeting closed with group singing.

The next meeting will be held at the home of Mrs. Harvey, Centennial Street.

Edward Lee Nolan Observes Birthday

FROSTBURG — Mr. and Mrs. Joseph Nolan, 148 Centennial Street extended, entertained Saturday with a party from 1 to 3 p.m. in honor of their son, Edward Lee's eighth birthday.

The group was entertained with games and contests after which a birthday cake was cut and refreshments served.

Those present were Helen and Linda Chaney, David Pennington, Gary Baker, Deborah, Richard and Lawrence Goldworthy, Herbert Grady, Carol Ann and Allen McKenzie, Debbie Lynch, David, Dennis and Patricia Hummel, William and Delbert Fraley, Sandra Truly, Joan, Joe and Gail Leach, Katherine and Minnie Winner, Edward and Joseph Nolan.

Methodists Adopt Sunday School By Mail Program

Plan Designed For Isolated Families

FAIRMONT, W. Va. — Thousands of isolated families in the United States will have the opportunity to "go to Sunday School" by mail under a new program of the Methodist Church to be launched October 1.

The announcement was made in Fairmont by Dr. T. Leroy Hooper, executive secretary of the West Virginia Conference Board of Education.

Under the new program to be called "Church School at Home," Methodist church-school curriculum materials will be sent free to interested families who write that they wish to enroll in the program. The project is sponsored by the General Board of Education of the Methodist Church through its Department of the Christian Family, with headquarters in Nashville, Tenn.

"We have very little idea of what the response will be in the West Virginia Conference," said Dr. Hooper, "but we do know that there are many families, especially in the mountainous areas, who cannot get to church without traveling long distances. And in the winter months, many of the roads are impassable."

"The first inquiry received direct by mail in Nashville came from a family of ten in West Virginia," Dr. Hooper said. "Attending church school by mail

won't compare to classroom instruction, but it should be a lot better than nothing," he concluded.

Once an inquiry has been received in Fairmont, it is passed on to Nashville. Then, when a family is enrolled, it will receive every three months, direct from Nashville, the approved church-school curriculum materials for each of its members, Dr. Hooper explained.

Scotch Tie Wins Second Race At Fairgo, Pays \$53.20

Good Prices Feature 2nd Day's Card

● New Dice And New York, Cedar Patch Pay Nice Dividends

Good prices, topped by the \$53.20 payoff on Scotch Tie, winner of the second race, highlighted yesterday's program at Fairgo on the second day of the Cumberland Fair Association's race meeting.

Another perfect day for racing brought out an estimated 3,500 patrons who wagered \$158,363, which topped the first day's mutual handle of \$140,762 by \$17,601.

Only two favorites came home first compared to the five-out-of-eight recorded on inaugural day. New Dice Pays \$15.60

William D. Grove's New Dice, ridden by Edward McIvor, started the parade of outsiders to the winners' circle when the five-year-old brown mare romped to an eight lengths' triumph over Sun Melvin, the bettors' choice, in the initial event. New Dice paid off to the tune of \$15.60 for each two bucks invested on the animal's nose.

Then came the longest price of the meeting when Franklin P. Lamparter's Scotch Tie, with Anthony Franciotti up, scooted home two lengths in the fore of Wire Flash with Gaddie, the favorite finishing in third place. The \$53.20 return topped Monday's high of \$25.40 when Za' Beth produced a \$25.40 mutual.

Those who held the 3-4 combination in the Daily Double received \$164.60 on each \$2 ticket. Monday's double was \$34.20. Yesterday's double pool was \$16,478.

Favorites Win Two
Favorites triumphed in the third and fourth events on the card. Charles S. Moses' Nibbling, with Anthony Russo astride, scored by half a length over Circle Baby with Victory Wheel showing in the third. It was Russo's fourth winning mount in two days and the Kentucky Colonel gelding returned \$4.80.

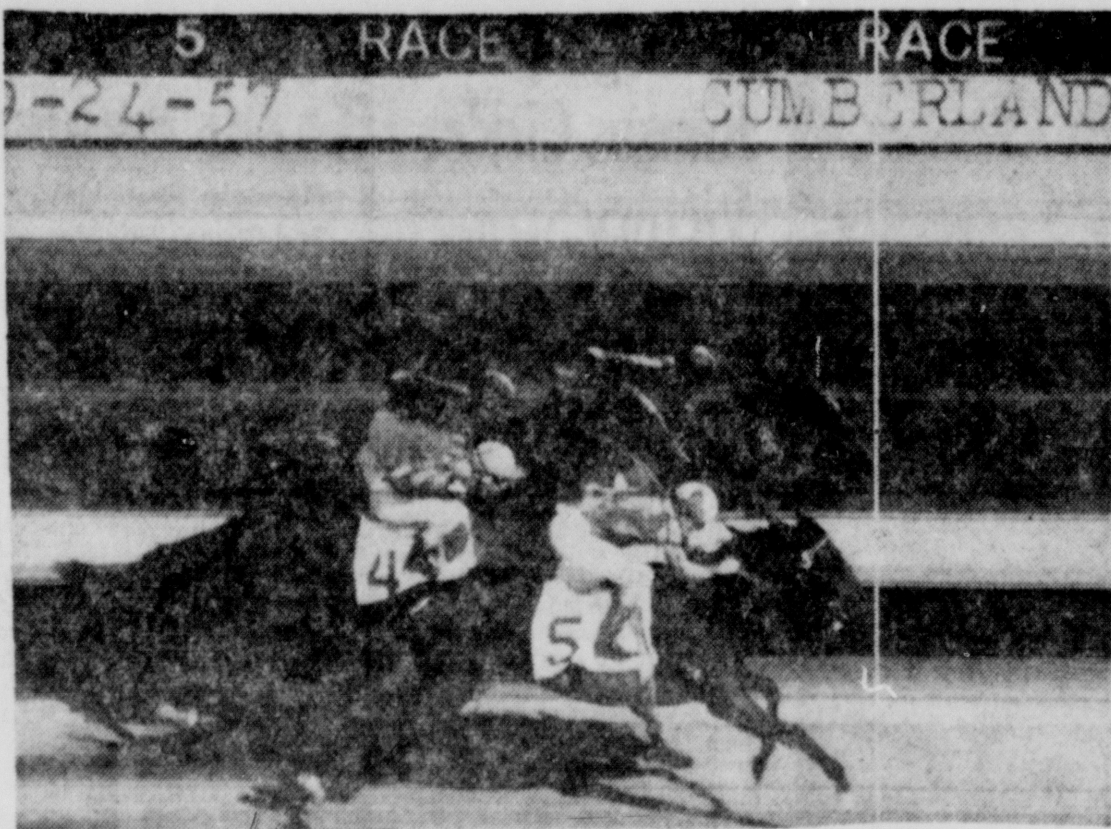

After riding out of the money in seven previous outings, Willie Clark broke the ice in the fourth when he rode Harry Settle's Heat Flame home ahead of Chalkee by the margin of 1½ lengths. The Baron Jack filly, trained by Fred M. Clatterbuck, paid \$4.40 for the shortest price in two days.

Argumentative was third. The first photo for win at this meeting was recorded in the fifth when Edward L. Miller's Vola Reigh, a two-year-old bay filly edged Sandra's Choice, first choice of the betting public, while Yew Spring took show money. The payoff on Vola Reigh, piloted by Floyd Green, was \$7.40.

Ivan, Iva Duo Score
Ivan Payne notched his second win of the session by booting home Iva Mae Parrish's Short Tint ahead of Legal Limit and Gunthia in the five furlongs sixth. Short Tint was the second winner saddled by Iva Mae Parrish, who tied Louis Pascal in the trainers' race. Backers of the Tintangel mare received \$9.40 on each \$2 win ticket. The favored Sunny Weather ran out of the money.

Cedar Patch, a to 1 shot, won by two lengths over Royal Brigade in the 7th in a 6½ furlongs sprint in which Dishes Flying finished third. Leonard Loveridge was aboard Cedar Patch and those who wagered on the winner collected \$14 for \$2.

New York Cops Final
Enrico Rinaldi's New York, with Ray Mikkonen up, returned a \$15.40 mutual in winning the

VOLA REIGH SCORES — The first photo for win at the current Fairgo race meeting was recorded yesterday when Vola Reigh edged Sandra's Choice, the favorite, in the fifth event. The finish also is mirrored in the background by the Fitzpatrick Photo Service which is in charge of George Ryall, Jr. Vola Reigh, ridden by Floyd Green, paid \$7.40 to win.

Mrs. Mirkin Wins Trophy

Cops Lichtenstein Event Second Time

Mrs. A. J. Mirkin won the Lichtenstein trophy for the second time yesterday when she led a field of twenty-six with a net score of 110-35-75 in the tenth annual handicap event over the Cumberland Country Club golf course.

Mrs. Mirkin also won the 1953 tourney.

Other names on the trophy are: Mrs. Hal Sebra, Mrs. Mildred Gronbach, Mrs. George M. Young, Mrs. George Henderson, Mrs. R. W. Trevasik, Mrs. D. Ensor, Mrs. J. B. Waugh and Mrs. W. R. Hodges.

In an intro-club match between women's teams, the Hookers won the third and deciding contest from the Bunkers by the score of 15-2.

Mrs. G. L. Bowie and Mrs. Fuller B. Whitworth of the Hookers tied for low gross with 95s and Mrs. Mirkin turned in low net of 75.

Mrs. Morgan C. Harris carded a low net of 111-29-82 for the Bunkers and Mrs. W. Royce Hodges had low gross of 90.

In a fifth flight match played yesterday in the men's fall tournament, Ward N. Hauger defeated Marvin Kaplan 4 and 3.

Giants Shut Out By Simmons, 5-0

PHILADELPHIA, Sept. 24 (AP)—Curt Simmons shut out New York on four singles tonight as the Philadelphia Phillies closed the book on their season's series with the Giants with a 5-0 victory before a chilled crowd of 7,019.

The Phillies chased starter Curt Barclay, who lost his ninth game against the same number of victories, with a pair of runs in each of the first two innings. They added the other off Ray Crone in the sixth.

final; the longest race on the card—about one mile and a sixteenth. New York whipped Bushing by six lengths. Fit For was third and Our Jo, first choice of the bettors, was fourth.

Aaron Wallops 44th Home Run With Three On

Spahn Bags 21st, Beats Cards, 6-1

MILWAUKEE, Sept. 24 (AP)—Henry Aaron, whose 11th inning homer ended the National League pennant race last night celebrated tonight with his first grand slam homer as Milwaukee whipped runner-up St. Louis, 6-1.

Aaron got his first grand slam hit of his major league career in the first inning off starter Sam Jones. The drive in the rightfield grandstand seats followed an infield single by Red Schoendienst, a single by Johnny Logan and a walk to Eddie Mathews.

The homer, Aaron's 44th of the season and the 110th of his major league career, brought defeat to Jones, who was taken out of the game after he pitched two straight balls to the next batter.

Warren Spahn hurled a five-hitter tonight and posted his 21st victory against 10 losses. It was the seasoned southpaw's 11th victory in his last 13 decisions.

St. Louis ... 001 000 000—1 5 0
Milwaukee ... 400 000 20x—6 9 0

Honor Jockeys Nov. 23

BALTIMORE, Md. (AP)—Pimlico race track will enshrine Walter Miller, Raymond (Sonny) Workman and Ted Atkinson into the National Jockeys Hall of Fame on Nov. 23. Miller, ill in New York since 1945, was a riding star 50 years ago. Workman gained fame 25 years ago, while Atkinson still is one of the nation's leading riders.

List 22 Court Games

EAST LANSING, Mich. (AP)—Michigan State's Big Ten basketball champions will play 22 games this season. But Spartans, under Coach Fordy Anderson, open the season Dec. 2 in a home game against Butler State its Big Ten defense Jan. 4 in a game at Ohio State. In all, 14 conference games are on the schedule.

Writer's cramp may so affect the central nervous system that the hand can never be used again to write with pen or pencil, although it is still normal in every other way.

Redlegs Down Chicago, 4-3

CINCINNATI, Sept. 24 (AP)—Cincinnati's Redlegs, keeping alive their hopes for the National League's third place, scored a single run in each of the first four innings tonight and made an early lead stand up for a 4-3 defeat of Chicago's Cubs in the first game of a two-night doubleheader.

Veteran righthander Hal Jeffcoat went all the way for Cincinnati, winning his 12th game against 13 losses.

Jeffcoat gave up eight hits, struck out two Cubs and didn't walk a man.

FAIRGO FACTS

By C. V. BURNS

Today is American Legion Day at Fairgo with Fort Cumberland Post No. 13 as the sponsor.

Harold Davis, post commander, will present a trophy to the owner of the winning thoroughbred in the seventh race. He will be introduced by Phil Fleming, department commander's aide in the absence of John W. Sloan, department commander.

The seventh race should be one of the best of the meeting with six classy 3-year-olds and upward slated to vie over the route of one mile and a sixteenth for the \$1,100 purse. Setubal, Singing Bush, Alibu, Bijou, Gold Prize and Hill Topsy have been nominated for the event.

Al Garry, president, and Sidney Leger, vice president, of the Dapper Dan Chapter of Newark, N. J., are here for the ninth running of the Dapper Dan trophy race on Thursday.

Garry, former well known basketball referee, organized the Newark club three years ago. It has a membership of 280 at the present time.

Lyncelee won the Dapper Dan race last year. Other winners since the trophy was established in 1949 have been Bagogold, Say, Penny Achance, Publicity Miss, Cockpit, Kitty Kilts and Count Display.

Credit Vernon Whisner, the outsider with making a "nice catch" in yesterday's opening number, Court Hoy tossed Jockey Tommy McGovern near the starting gate and made his getaway but Whisner, who rode here in bygone days, caught up with the animal near the finish line and brought him to a quick stop. It was a clever bit of horsemanship on the part of Whisner and he was applauded for his daring ride, Jack Davis is the other outsider.

Among the visitors yesterday was D. Eldred Rinehart, chairman of the Maryland Racing Commission whose home is in Washington county.

Leonard Loveridge, who rode at Atlantic City Monday, came here yesterday to ride and win with Cedar Patch, a 6-1 shot in the 7th, and returned last night to the New Jersey track.

It was the first time Loveridge ever rode at the local half miler. He's a native of Tampa, Fla., and began riding on the Pacific Coast.

Paw Paw Will Play Double Bill Sunday

The Paw Paw Boosters baseball team will play a doubleheader with Ganesboro, Va., and Flintstone at Paw Paw Sunday at 1 p.m.

Paw Paw defeated Ganesboro last Sunday by the score of 11-3. Bill Corbett, Jim Sharp and Gilbert Powell pounded home runs for the Boosters.

Yale Has One Regular

NEW HAVEN, Conn. (AP)—Yale figures to have a tough time repeating as Ivy League football champion, for Coach Jordan Oliver's 38-man varsity squad includes only one regular from 1956. He is Embersits, guard and Eli captain. However, 12 other players won letters last season.

HEADS JOCKEYS—Anthony

"Tony" Russo, popular Baltimorean, is showing the way in the jockey's race at Fairgo with four winners in two days. He posted a triple on opening day by scoring aboard Bete Noir, Rush For Gold and Dark Patrol. Yesterday he won with Nibling in the third race. Russo topped the riders at Bel Air and Timonium and was runner-up at Hagerstown.

Bosox Win, 2-1, Ted Belts 38th

WASHINGTON, Sept. 24 (AP)—Ted Williams smashed his 38th home run tonight as Boston defeated Washington, 2-1, behind the five-hit pitching of Frank Sullivan, who won his 14th decision.

Williams, who had his streak of reaching base safely 16 straight times broken by Hal Griggs in the first inning when he grounded out, slammed his home run in the fourth inning. It proved the decisive blow of the game. He later struck out and walked.

Boston 001 100 000—2 6 2
Washington 000 001 000—1 5 0
Sullivan and White; Griggs, Byerly (9) and Courtney, L.—Griggs.

Ray Boxed In 1940

NEW YORK (AP)—Sugar Ray Robinson, often regarded as the best fighter of this era, engaged in his first pro battle in Madison Square Garden on Oct. 4, 1940. He knocked out Joe Echeverria in two rounds. The bout was a preliminary to the Fritzlie Zivie-Henry Armstrong welterweight title fight which was won by Zivie. One year later Robinson beat Zivie in a non-title bout.

During the Revolutionary war, all American ironworkers were exempted from military service.

Herman's Cop Western Maryland Softball Tournament

City League Champs Post 4-3 Triumph

Four-Run Rally In Fifth Beats Sports Shoppe

Hayden Phillips pitched and batted Manager Jimmy Allen's Hermans to the championship in the sixth annual Western Maryland Softball Tournament, sponsored by the City Recreation Department, as the City League pennant and playoff winners edged the Sports Shoppe of the Rec League in the final game last evening at Penn Avenue Field by the score of 4-3.

A four-run explosion capped by Phillips' double which drove Baker home with what proved to be the winning marker settled the issue in the fifth inning.

With the Sports Shoppe leading 3-0, Bobby Goss led off for the Hermans in the fifth with a single. After Burns fanned, Lease drew a walk. Woody Woodson doubled in two runs. Baker was safe on an error by the shortstop, scoring Woodson with the tying marker. Then Phillips delivered the winning blow.

It was the fourth straight tournament win for the Hermans who had eliminated Bopp's Flower Shop 11-1, the South End Democrats, 6-0, and Spa Bar 8-7 on their way to last night's finals.

Both Phillips and Rich Smith, his opponent, yielded six hits. Hayden fanned seven and Smith whiffed five.

Members of the championship team received trophies. Awards also were distributed among ten other players.

Nine outstanding players receiving awards were: Ted Durbin, Al Sheetz and Lou Riehl, Spa Bar; Rich Smith and Junie Perry, Sports Shoppe; Ref Moreland and Gene Basilio, Hermans; Rich Clay, Gray's Tavern, and Dick Billmeyer, Peskin's.

The Sportsmanship Award went to "Dusty" Rhodes of Ritter's Box.

Wilson Becomes Orioles Affiliate

WILSON, N.C., Sept. 24 (AP)—Penn Watson, president of the Wilson Baseball Club of the Class B Carolina League, announced today he signed a tentative working agreement with the Baltimore Orioles of the American League.

The agreement is contingent on payment of about \$7,225 in debts by the Wilson club by Oct. 1, Watson added.

Redskins Cut Down To 35-Player Limit

WASHINGTON, Sept. 24 (AP)—The Washington Redskins today pared down to the 35-player squad limit by releasing Rex Shiver, defensive halfback recently acquired from Los Angeles, and two rookies.

The pro frosh put on the National Football League waiver list with Shiver were end Gilmer Spring of Texas and guard Jack Davis of Maryland.

ANNEX ANOTHER TITLE — The Hermans, champions of the City League, added the Western Maryland Softball Tournament crown to their list of 1957 achievements by beating the Sports Shoppe in the finals last night at Penn Avenue Field by the score of 4-3. It was the Hermans' fourth straight victory in the

sixth annual event. The champions, left to right: FRONT ROW — Pete Deremer, Don Basilio, Bobby Goss, Walter Basilio, Frank Scarpelli and Ref Moreland. BACK ROW — Jimmy Allen, manager; Lou Baker, Hayden Phillips, Paul Lease, Bob Burns, Junior Brelsford and Woody Woodson.

Boulmetis Wins With Skysweeper

Rides 31st Victor, Ties Joe Culmone

ATLANTIC CITY, N. J., Sept. 24 (AP)—Jockey Sam Boulmetis drove Mrs. Alfred J. Giordano's Skysweeper to a neck victory in today's featured race and moved into a 31-all win deadlock with Jockey Joe Culmone. In scoring this afternoon Skysweeper was winning his second consecutive victory over the infield course and he ruled the favorite with a \$5.40, \$3.80 and \$3.20 payoff.

A neck back of the winner was C. Mahlon Kline's Adare 2nd, with Spring Hill Farm's Partiquina, the only filly in the race, a fast closing third.

Boulmetis had the 5-year-old son of Eight Thirty home in 1:44 1/5 over a firm infield course.

Boulmetis had won the preceding race astride Rarco Saul to bring him within one victory of the leading Culmone.

The two top apprentices of the meeting were responsible for a \$66.00 daily double. Bobby Moran drove home Woodlands at \$18.60 in the first and Howard Grant scored with I Hope, \$8.80, in the payoff end of the bargain two-some. The Magical numerals today were "10-3."

Parker Fires Four Steelers

PITTSBURGH, Sept. 24 (AP)—Coach Buddy Parker continued his drastic shakeup of the Pittsburgh Steelers today, firing four players and hiring two.

The players fired included three veterans — quarterback Ted Marchbroda, center Jim Taylor and guard Art Michalik.

The fourth man dismissed was Harland Carl, a halfback recently acquired from the Chicago Bears. Parker picked up two players from the Los Angeles Rams in exchange for future draft choices. They were guard Sid Fournet and halfback Dean Derby.

The moves put the Steeler roster at 36 players and Parker must release one man tomorrow to meet the National Football League's player limit.

Coach Has Two System

TUCSON, Ariz. (AP)—Ed Doherty, new football coach at the University of Arizona, says he's using two systems this fall. One, the slot-T, is for the players on the field. The other, for the coaches, is the 3-W system—work, watch and wish.

World Series Schedule

NEW YORK, Sept. 24 (AP)—Here is the schedule of games in the 1957 World Series involving Milwaukee, champion of the National League, and the New York Yankees of the American League: Wednesday, Oct. 2, Yankee Stadium. Thursday, Oct. 3, Yankee Stadium. Saturday, Oct. 5, County Stadium. Sunday, Oct. 6, County Stadium. Monday, Oct. 7, County Stadium. Wednesday, Oct. 9, Yankee Stadium. Thursday, Oct. 10, Yankee Stadium. All games will start at 1 p.m. local time which is Eastern Daylight in New York and Central Standard in Milwaukee.

Snyder Is Reported Resting Comfortably

WASHINGTON, Sept. 24 (AP)—Jerry Snyder, Washington infielder who was felled by a line drive in batting practice last night, was reported resting comfortably today in Georgetown Hospital. A club spokesman said X-rays showed no breaks or serious injuries. Snyder was hit on the head by a line drive off the bat of Lou Berberet while pitching in batting practice before the Senators' game with Boston.

Chicago Breaks Kansas City's Victory String

Collects 16 Hits, Shades A's, 7-6

KANSAS CITY, Sept. 24 (AP)—The second place Chicago White Sox, eliminated from the pennant race last night, reacted with a 16-hit barrage including a home run by Earl Battey and shaded the Kansas City Athletics today 7-6.

Ron Jackson led the Chicago attack with four safeties. Nellie Fox and Battey contributed three apiece.

The Chicago victory broke a 5-game winning streak for the Athletics.

The Sox scored all of their runs in the first four innings as they hammered George Brunet, Wally Burnette and Harry Taylor.

The Athletics scored three in the first two innings against Bill Fischer but Don Rudolph, rookie left-hander, came on to set them down on one run and four hits through the next six frames.

The meeting was the last of the season between the Athletics and White Sox.

Blaylock Recalled

PHILADELPHIA, Sept. 24 (AP)—The Philadelphia Phillies today announced the recall of first baseman-outfielder Marvin Blaylock and the addition of outfielder Don Landrum, both from their Miami farm club in the International League.

Landrum, who hit .300 for the Triple A Marlins, is expected to play the balance of the season for the Phillies. A club spokesman described the 21-year-old outfielder as a "Richie Ashburn with muscles."

Tar Heel Tackle 26

CHAPEL HILL, N. C. (AP)—The veteran of the University of North Carolina football team in age is 26-year-old tackle Stan Lettwich, a senior. He was on the 1955 squad but missed last year. At 6-feet-1 and 215 pounds he bolsters a group of tackle's which includes two other seniors, Stuart Pell and Hap Setzer.

Oklahoma Heads AP Poll, Texas Aggies Are Second

Georgia Tech Holds 3rd Place; Michigan State Ranked 4th

By HUGH FULLERTON JR. The Associated Press

The first major games of the 1957 season did nothing to alter the general pre-season belief that Oklahoma has the strongest college football team in the land.

Striking with awesome speed and power against a team that had been regarded as the best in the East, the Sooners demolished Pittsburgh 26-0 last Saturday and ran their record winning streak to 41 consecutive games.

The result was reflected today in the first Associated Press weekly ranking poll of the new season.

Only nine of 74 experts participating in the weekly voting failed to put the mighty Sooners on top of the list. Seven of those rated Oklahoma second. One non-conformist wouldn't give Bud Wilkinson's squad a higher ranking than tenth and another cast a vote for fifth place.

Texas Aggies 2nd

Texas A. and M., rated second in the pre-season balloting, retained that place. Michigan State, rated fourth, drew four of the nine first place votes that didn't go to Oklahoma. Duke received two and Navy, Minnesota and Iowa one each.

In the point scoring, on the basis of ten points for each first place vote, nine for second, etc., down to one for tenth, Oklahoma received 720 points to 460 for the Texas Aggies.

Texas A. and M. had a stern opening opponent in Maryland but came through at the finish in the rain for a 21-13 victory.

Georgia Tech, an impressive 13-0 winner over Kentucky was third in the first weekly ratings. Michigan State fourth and Navy, which gave Boston College a 46-6 battering, fifth.

Others in the first ten were Minnesota, Duke, Tennessee, Oregon State and Michigan. Duke caught the eyes of the voters by whipping South Carolina 26-14 and Oregon State thumped Southern California 20-0. The Big Ten teams and Tennessee don't open their seasons until next Saturday.

Oklahoma's schedule calls for a week of idleness after its opening victory, but the others in the top ten all will be in action, most of them against first-rate opposition.

Games This Week

Texas A. and M. visits Texas Tech. Georgia Tech plays Southern Methodist (ranked 15th); Duke plays Virginia and Oregon State meets Kansas. In season openers, Michigan State faces Indiana, Minnesota plays Washington, Tennessee takes on well-regarded Au-

burn and Michigan visits Southern California.

The top ten teams with points on 10-9-8-7-6-5-4-3-2-1 basis (first place votes and won-lost records in parentheses):

1. Oklahoma (63) (1-0)	45
2. Texas A&M (1-0)	460
3. Georgia Tech (1-0)	374
4. Michigan State (4) (0-0)	354
5. Navy (1) (1-0)	297
6. Minnesota (1) (0-0)	275
7. Duke (2) (1-0)	249
8. Tennessee (0-0)	247
9. Oregon State (1-0)	223
10. Michigan (0-0)	190
Second Ten	
11. Baylor (1-0)	169
12. Iowa (1) (0-0)	127
13. Texas (1-0)	60
14. Houston (1-0)	53
15. Southern Methodist (1-0)	35
16-17. (Tie) Pittsburgh (0-1)	
and Stanford (1-0)	25
18. Rice (1-0)	23
19-20. (Tie) Mississippi (1-0)	
and Penn State (0-0)	21

State Tax Burden Per Capita \$86.75

CHICAGO, Sept. 24 (AP) — The average state tax burden on every man, woman and child in the 48 states reached a record high of \$86.75 for the year ended June 30, according to the Commerce Clearing House, which gathers information on taxes and business law.

This was an increase of \$3.15 over the preceding year.

Eleven states were able to reduce their per capita tax burdens from the previous year. They include Delaware and Maryland.

Piano-Playing Record

CALGARY, Alta., Sept. 24 (AP) — Pat Logue, 29, claims a Canadian piano-playing marathon record of 77 hours. With his hands swollen and thumbs raw, he quit at 2 a.m. Sunday after pounding the keys since Wednesday in a Calgary ballroom. The old record of 75 hours was claimed by Tiny Bird of Hamilton, Ont.

In Memoriam

In loving memory of our dear husband and father, Albert H. Smith, who passed away 4 years ago today, September 25, 1953.

Not dead to us who loved him,
Not lost but gone before,
He lives with us in memory,
And will forevermore.

Sadly missed by
Wife & Son

In memory of our son, John Wm. Broll, who passed away 3 years ago, Sept. 25, 1954.

You are not forgotten, Willie,
Nor ever will you be.
As long as life and memory last,
We will remember thee.
We miss you now,
Our hearts are sore,
As time goes by, we miss you more.
Your loving smile, your gentle face,
No one can fill your vacant place.

Sadly missed by
MR. AND MRS. SAUL PARKS

1-Announcements

LIKE a letter from home every day through the year to your son or daughter in the Armed Services, or your boy or girl away at school. Send the Cumberland News, The Evening or Sunday Times. Call: Circulation Dept., PA 2-4600.

RUGS A FRIGHT! Make them a beautiful sight with Fina Foam. It's marvelous. Rosenbaum's.

U.S. Bureau of Statistics shows that car prices have risen 27.5 percent from 1947 to 1957, while hourly earnings in the industry have increased 42.3 percent. Steel, up 54.4% since 1949. Tires & Tubes up 50.8%, Paint, 24.2%, Safety Glass up 13.4%. These, plus high cost retolling have the new car prices out of reach for many — and —

58's WILL BE HIGHER TOO
We have many new cars at a fraction of their new car price.

56 BUICK \$2200
This 4 dr. H-top Riviera Sdn. is truly a beauty. 2 tone shades of delicate blue, with matching interior. H-tread whitewall tires prove its low mileage. Also loaded with fine car latest features, including R.H. Variable pitch dynaflo. Power steering and brakes. Plus, The Million Dollar Ride.

56 MERC \$1850
4 Dr. Custom V8 Power House. This particular car sold new for twice our price. Outstanding in its 2 tone color with all leather Monterey interior. Its loaded! Radio & H. Mercromatic, turn signals, back up lights and many, many more.

56 PLYM \$1688
Belvedere — The best in Plymouth, 2 Dr. club sdn. V 8 engine. Radio & H. Push button power slide trans. Power steering and brakes. She's loaded with accessories. Pretty too. Nice 2 tone light and dark, extra clean inside. Way below book, and first year big depreciation is gone.

Local Couple Hospitalized In Pa. Crash

Mrs. Thomas Sheehee Is Thrown From Car

A local couple was admitted to a Johnstown, Pa., hospital yesterday afternoon with injuries sustained in a three-vehicle collision about 12 miles north of that city.

Thomas H. Sheehee, 71, of 117 South Allegany Street, is reported in "fairly good" condition at Mercy Hospital in Johnstown.

His wife, Martha E. Sheehee, according to attaches, is in "fair" condition with a possible fractured skull.

She was thrown from the car being driven by Mr. Sheehee when it was struck by a tractor-trailer and was pushed against another tractor-trailer.

Hit By Two Trucks

Attaches said Mr. Sheehee was being treated for an injury to his left hip and abrasions about his body. Mrs. Sheehee also suffered lacerations of her scalp, face, chin and left knee and abrasions of her body. She was being treated for shock.

Pennsylvania authorities said the crash occurred at 2:40 p.m. at the intersection of U.S. Route 22 and State Route 56 about 12 miles north of Johnstown.

They said Mr. Sheehee, who was traveling south on Route 56, had stopped at the intersection.

Police said he pulled out and crossed Route 22 into the path of a tractor-trailer traveling east on that highway. Driver of the rig was Glenn Hagerich of RD 1, Mineral Point, near Johnstown. Had Visited Daughter

The Sheehee car was pushed by the rig against a second tractor-trailer traveling on Route 56. Mr. Sheehee, police said, was traveling in the direction of Johnstown, while Mr. Hagerich was traveling toward Ebensburg, Pa.

The driver of the other rig was Jack Shearer of Johnstown. W. L. Sheehee, of 603 Piedmont Avenue, who visited his parents at the hospital yesterday, said they are "coming along pretty well."

He said the car was a total wreck. The Sheehes visited a daughter, Mrs. Betty Battly, of Indiana, Pa., the past couple of days and were en route home at the time of the accident.

Cyclist, 12, Hit By Auto

A 12-year-old Rawlings youth was admitted to Memorial Hospital yesterday after being struck by an automobile as he was riding his bicycle near his home.

Thomas Duckworth, son of Mr. and Mrs. Herman Duckworth of Route 3, Keyser, suffered a lacerated left knee and was admitted to the hospital for X-rays and observation after the accident, which occurred about 6:15 p.m.

Trooper George Robinette of the LaVale detachment of the Maryland State Police said young Duckworth was struck by a vehicle operated by Warren J. Davis of Keyser.

Both Davis and the youngster were traveling north on U.S. Route 220 when the boy attempted a left-hand turn in front of his home. Davis' car struck the bicycle and knocked young Duckworth to the ground.

Davis will be charged with improper passing, Trooper Robinette said.

Driver Fined On Two Charges

William Louis Edwards, 22, of 321 Columbia Street, was fined \$150 and costs on two motor vehicle violation charges in Trial Magistrates Court following a hit-and-run accident on Bedford Street on Saturday.

Magistrate J. Milton Dick found Edwards guilty on the two charges and innocent of a third charge. He also suspended a nine-months sentence to Allegany County Jail and placed Edwards on probation.

The magistrate held the motor hearing on Monday and deferred sentence until yesterday when the defendant requested the court to examine his car.

Magistrate Dick said his preliminary inspection showed no evidence that the car had been involved in the accident in which a parked vehicle in the 500-block of Bedford Street had been struck by another automobile that then left the scene.

However, investigating officers of the City Police Department also inspected the car at Dick's request, the magistrate stated, and pointed out various places where scratches and paint from the parked car were visible. They also noted that a damaged hubcap had been replaced by a new one.

Magistrate Dick said he then found Edwards guilty of reckless driving and leaving the scene of an accident.

Thomas N. Berry was attorney for the defendant.

Births

Sacred Heart Hospital
Mr. and Mrs. Merlin McDonough, Corrigansville, a daughter, yesterday.

Memorial Hospital
Mr. and Mrs. Walter B. Powell, RD 1, Ridgeley, a son yesterday.

Sight Conservation Clinic

Dr. David H. Miller, clinician for the Allegany County Health Department's eye clinic, tests the sight of Sharon Rankin, daughter of Mr. and Mrs. Walter Rankin, yesterday as Glenn K. Davis, chairman of the Cumberland Lions Club's Eye Con-

servation program, and Mrs. Vanda McGann, health nurse, look on. The Lions Club this year is providing \$5,750 to be used for eye conservation work of the Health Department and a \$200 orpho-rater to be used in eye examinations.

School Teachers Will Hear Talk By Kennedy

State Convention Slated Next Month

School teachers of Allegany and Garrett counties who attend the State Teachers' Association meeting next month in Baltimore will hear a talk by John F. Kennedy, United States Senator from Massachusetts.

Over 10,000 teachers are expected to hear his talk at the opening general session Thursday afternoon, October 10 in Baltimore's Fifth Regiment Armory.

During the session a citation will be presented to Neil H. Swanson for distinguished educational writing and an award to Fred Archibald, publisher, for the Baltimore News-Post and Sunday American.

Maryland teachers will consider national affairs as well as teaching methods at the three-day convention. On Friday morning, John Mason Brown, author and critic, will address the gathering.

Mayor Thomas D'Alesandro Jr., and Superintendent John H. Fischer will bring greetings to the teachers and welcome to the convention.

In addition to the speakers at the general sessions, teachers will hear from various experts in their fields at 61 meetings sponsored by 36 departments of the state association to be held at schools and other buildings throughout Baltimore on Friday afternoon, October 11.

The legislative committee of the association will recommend that the General Assembly be asked to override the Governor's veto of H. B. 253, to increase the state minimum salary scale for teachers by \$400 and to make available more state funds for classroom supplies and other school operating expenses.

This committee also will recommend that in order to strengthen plans for the recruitment of teachers the recommendations made last year by the State Board of Education for a teachers' minimum salary scale of \$3,600-\$5,400 be put into effect.

The Representative Assembly will elect officers for the current school year.

Defendant Asks Trial By Jury

Theodore "Ted" Day of Golden Lane yesterday asked for a jury trial at a hearing before Magistrate J. Milton Dick in Trial Magistrates Court. Day has been charged with disturbance of the peace.

Magistrate Dick explained that Day was accused of using profane and obscene language and acting in a disorderly manner at his home.

The magistrate ordered Day to post \$100 bond for his appearance in Circuit Court.

Permit Issued For Model Home

The Adams Supply Company, RFD 1, Frostburg, yesterday obtained a permit from the Allegany County assessing department for construction of a \$5,500 model home in Election District 24.

This 40 by 24 foot frame house will be built on a lot owned by the Clarysville Volunteer Fire Company on the old carbarn site.

Another permit was issued for a \$700 septic tank in Election District 16.

Altitude Gear Found By Men Near Lover's Leap

Two local men roaming around the Lover's Leap area yesterday, trying to locate fox squirrels for the approaching hunting season, came across weather equipment released by balloon almost a year ago from Greater Pittsburgh Airport.

James Paulus and Michael Brown found the instrument, balloon and parachute about 5:10 p. m. below the cliffs on the Western Maryland Railway side of the Narrows. The equipment had been released from the airport on November 10, 1956.

Mr. Paulus plans to return the equipment to Signal Depot officials in Lexington, Ky., and will note where and when he found it. The instruments are used to obtain weather information at altitudes as high as 14 miles.

Beautification Of Entrance To Park Begins

City Park Board workers have begun landscaping the entrance of Constitution Park.

Mrs. Marguerite Findlay, park board member, said the crews will grade the entrance and then plant evergreens and shrubs to beautify the area.

Water Department crews, she said, have installed a water line to the entrance, so the plantings can be maintained.

The park workers next week will begin planting several thousand tulips in small parks throughout the city.

Mrs. Findlay said the crews will also inspect and replant the best of the tulips which have been blooming undisturbed in the parks for about seven years.

Cannas, which have provided beautiful displays in several park areas, will be taken up soon and stored for the winter.

Local Girl Named To Fashion Board

Miss Carole Ransom of 1002 Holland Street, a senior at Allegany High School, has been elected to McCall's Patterns' Teen Fashion Board for the 1957-58 school year.

She is one of 800 senior high school students from all over the country nominated by their home economics teachers on the basis of sewing skill, fashion knowledge and school leadership. Each girl is deemed qualified to act as an advisor to the design department of McCall's Patterns.

Deale, Md., Says Police Not Needed

By HERBERT L. THOMPSON

DEALE, Md., Sept. 24 (P)—The Deale Chamber of Commerce tonight requested that county and State Police cruisers be removed from this area "as we feel there are no problems existing in our area."

The request came in a resolution adopted at a special meeting of the Deale and Southern Anne Arundel County chamber on a motion by Raymond F. Selby Jr., chamber secretary.

"Police cruisers in this area have hurt our business," Selby said. "The police are watching people like they are criminals and I think things have calmed down enough that they should be removed."

He referred to the concentration of State Police and Anne Arundel County police cars which have been patrolling this area since an outbreak of anti-integra-

Work On City Reservoirs Is Speeded

Big Bowl Drained To Allow Repairs

Rapid progress is being made on the repairs to the Fort Hill reservoir. Water Commissioner William J. Edwards reported yesterday.

The repair job was started Friday by the George Construction Company and includes the replacement of the two top courses of the reservoir and the calking of joints and cracks throughout the structure.

Mr. Edwards said crews were busy yesterday removing slabs from the upper courses of the bowl and loading them into waiting trucks.

The men were drilling two holes in each slab and then using a payloador in lieu of an expensive crane to lift the 8 by 8 foot slabs.

To Pour Big Slabs

Considerable leakage was found in the reservoir, chiefly between the two courses of concrete slabs which had been loosened by alternate freezing and thawing.

When the concrete is replaced by the contractor, slabs measuring eight by 16 feet will be poured to eliminate the horizontal joint which has proved to be a maintenance problem.

The \$15,331 repair job will also include the calking of all of the joints of the reservoir with a special calking compound.

The concrete basin has been drained to allow the repair project but water pressure in the area served by the reservoir is being maintained as usual.

Mr. Edwards explained that the reservoir holds over a million gallons of water and constitutes a valuable reserve supply.

Pump From Lines

Water from the reservoir is pumped into the Fort Hill water tank to maintain pressure in a considerable area of the city.

Draining of the reservoir has not affected water pressure, however, as water is pumped into the 500,000 gallon standpipe from the main water line at the reservoir.

Crews from the Lake Gordon filter plant are making similar repairs to the Ridgedale Reservoir, where less serious leaks were found.

Mr. Edwards said about 80 percent of the weather-damaged slabs in that concrete bowl have been replaced and that calking of joints will begin early next week.

W.Va. Labor Federation, CIO Council To Merge

CHARLESTON, W. Va., Sept. 24 (P)—After 20 months of negotiating, the West Virginia Federation and the CIO Council announced today that they have agreed to merge.

CIO President Oscar L. Davis and AFL-CIO President Eugene A. Carter said committees representing the two union groups, signed the merger agreement here.

Full details of the merger were withheld. They will be made public next November at a joint ratification meeting in Huntington. Members of both union organizations must vote on a proposed constitution, but the leaders indicated they expected approval.

West Virginia Labor Federation, AFL-CIO, is the proposed name of the new union organization.

Red Cross Opens Mass Feeding Study

The first course in emergency mass feeding, sponsored by the Allegany County Chapter American National Red Cross will be held tonight at 7:30 o'clock at Emmanuel Methodist Church on Humboldt Street.

Officials of the association said playground workers, persons who assisted in the operation of the playground, and the playground softball team will be honored at the dinner.

Also to be guests are former Mayor Thomas S. Post, Recreation Director Eugene Mason, Assistant Rec Director Mrs. Eva Hogan, and John J. "Bobby" Cavanaugh, playground supervisor.

Mason will present a team trophy and individual trophies to members of the softball team which captured the City Recreation League's championship.

Officers of the association are George Warner, president; Ernest Combs, vice president; Mrs. Ann Ritter, secretary; and William B. Orndorff, treasurer.

Members of the association's executive committee are Helen Combs, Donald Ritter, Betty Warner, Gloria Barnstricker, and Foreman Saville.

Kilduff Will Speak To Underwriters

Thomas G. Kilduff, assistant state service officer of the Maryland Veterans Commission, will be the guest speaker at the Cumberland Life Underwriters Association meeting Friday at noon at Central YMCA.

The program will feature the awarding of diplomas to members who have completed the Life Underwriters training course. After the awarding of diplomas a new course will be organized. Mr. Kilduff maintains an office at the Union Street County building.

Court Probates Will Of Sturtz

The will of Jonathan Walter Sturtz was probated yesterday in Allegany County Orphans Court.

The will, which was dated October 19, 1944, left his entire estate to his wife, Mrs. Delpha M. Sturtz. His wife had been named executrix of the estate in a codicil dated October 25, 1947. Earl E. Manges yesterday qualified as administrator c.t.a. under a \$50 bond.

Deale, Md., Says Police Not Needed

Deale, would be of the opinion that the Negro doctor in Deale, Md., serves the Deale area. I think it should be a matter of record that we have such outstanding doctors that serve the people of Deale and its surrounding area as Dr. Franklin D. Hendricks, Shady-side, Md., four miles (from here); Dr. Emily H. Wilson, Harwood, Md., nine miles; Dr. Robert Sasser, Upper Marlboro, 12 miles; Dr. B. S. Johns, Avalon Shores, five miles; and Dr. Edgar O. Blewett of Deale, (a chiropractor)."

Some news stories had identified Dr. Jones as the only resident physician in Deale, which he is. However, chamber officials said that he actually treats very few white people in the area and that most of the other doctors listed attend them.

Parks also deplored statements quoted in newspapers in which there were references to "misfits

Frostburg Gets Another Chance For Factory

New Investor Pledges \$10,000

It looks as if Frostburg may get its undergarment factory after all.

Mayor Joseph James announced late last night that Cumberland Undergarment Company officials had agreed to reconsider building a plant in Frostburg after an anonymous investor pledged \$10,000.

The town's efforts to provide a plant site for the firm seemed to have failed Monday night when the Frostburg Industrial Committee reported that its drive to raise \$80,000 had fallen short of the goal by \$12,900.

Only \$2,900 Needed

Maurice Milberg, manager of the Cumberland plant, confirmed the new pledge and said his company will give Frostburg every chance to raise the other \$2,900.

Mayor James said that pledges have been coming in at such a rate that the \$2,900 shouldn't be too much of a problem.

The company wants Frostburg citizens to raise money for a new plant, which the company would buy over a 20-year period.

The latest developments leave Cumberland's status with relation to the plant uncertain. Only yesterday, the Chamber of Commerce announced that its Industrial Promotion Committee was on the lookout for a possible plant site for the firm.

Plans Were Expected

The search for the plant location in the Cumberland area began as the Chamber awaited details from the garment firm of the specific type of building it needs.

Mr. Milberg had said he expected to submit plans to the committee in a day or so, and possibly today.

Chamber officials said they were ready and willing to consider any proposal the company might make for its plant.

If plans are submitted, the Chamber said, the Industrial Promotion Committee will meet to study the proposal and to compile data for the study and guidance of the full committee.

Post Dinner Set Tonight

The annual appreciation banquet sponsored by the Thomas Post Playgroup Association will be held tonight at 6 o'clock at Emmanuel Methodist Church on Humboldt Street.

Officials of the association said playground workers, persons who assisted in the operation of the playground, and the playground softball team will be honored at the dinner.

Also to be guests are former Mayor Thomas S. Post, Recreation Director Eugene Mason, Assistant Rec Director Mrs. Eva Hogan, and John J. "Bobby" Cavanaugh, playground supervisor.

Mason will present a team trophy and individual trophies to members of the softball team which captured the City Recreation League's championship.

Officers of the association are George Warner, president; Ernest Combs, vice president; Mrs. Ann Ritter, secretary; and William B. Orndorff, treasurer.

Members of the association's executive committee are Helen Combs, Donald Ritter, Betty Warner, Gloria Barnstricker, and Foreman Saville.

Kilduff Will Speak To Underwriters

Thomas G. Kilduff, assistant state service officer of the Maryland Veterans Commission, will be the guest speaker at the Cumberland Life Underwriters Association meeting Friday at noon at Central YMCA.

The program will feature the awarding of diplomas to members who have completed the Life Underwriters training course. After the awarding of diplomas a new course will be organized. Mr. Kilduff maintains an office at the Union Street County building.

Court Probates Will Of Sturtz

The will of Jonathan Walter Sturtz was probated yesterday in Allegany County Orphans Court.

The will, which was dated October 19, 1944, left his entire estate to his wife, Mrs. Delpha M. Sturtz. His wife had been named executrix of the estate in a codicil dated October 25, 1947. Earl E. Manges yesterday qualified as administrator c.t.a. under a \$50 bond.

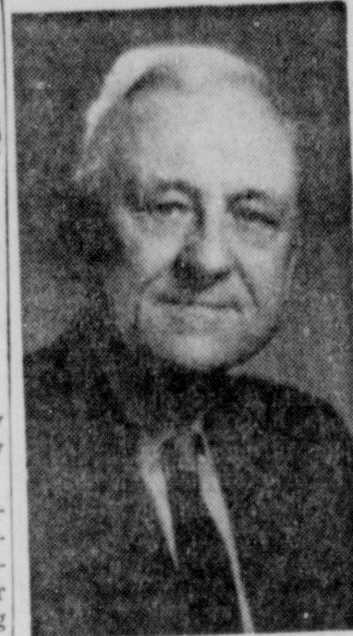

Deale, Md., Says Police Not Needed

Deale, would be of the opinion that the Negro doctor in Deale, Md., serves the Deale area. HOWARD J. WISEHAUP

Courtesy Week Observance Is Planned Here

Sales Clinic Is Slated Oct. 22-24

Cumberland will become a "courtesy conscious" community during the week of October 21, according to plans announced yesterday by the Cumberland Chamber of Commerce.

The week's activities will be highlighted by a three-day courtesy clinic conducted by Howard J. Wisehaup, business analyst, sales counselor and personality builder.

Mr. Wisehaup's clinics have been presented throughout the country under the sponsorship of newspapers, Chambers of Commerce and service clubs.

A reputation for courtesy is as valuable an asset to a community or a business as a gilt edge security, the Chamber said.

The Chamber is sponsoring Courtesy Week here next month to emphasize the importance of courtesy to the business interests of the community and to further inspire Cumberlanders to practice a code of service and courtesy in their daily lives.

The Sales Clinic will be held on October 22, 23 and 24 at the Maryland Theatre here.

Jail Escapee's Legal Bid For Freedom Fails

A 17-year-old boy now serving a term not to exceed one year in the Maryland Reformatory for Males on a jail breach charge has been denied a writ of habeas corpus by Chief Judge George Henderson in Allegany County Circuit Court.

The youth, Richard Hugh Perry, was one of the four participants in the short-lived jail break which occurred in the early hours of July 1. He was captured just outside the jail yard wall.

Associate Judge Morgan C. Harris sentenced Perry on the jail breach charge July 26 after he pleaded guilty to the charge in a criminal information. Perry was found guilty of two automobile larceny charges. In passing sentence Judge Harris figured the boy's time to start May 25, when he first was arrested on the automobile larceny charges.

In his petition for freedom on a writ of habeas corpus, Perry argued that the criminal information was defective because it listed the date of the jail breach as June 30 when actually it was after midnight and consequently July 1.

Judge Henderson disposed of this as a "frivolous" objection. He said that the courts frequently ruled that an error in date in an indictment or information does not invalidate the other correct facts in the bill.

Perry also argued in his petition that his Juvenile Court record should not have been considered at his trial. Judge Henderson explained that after Perry had pleaded guilty to the charge, Judge Harris quite properly took the boy's record into consideration in fixing the penalty.

Getty Restates Tipple Stand

Gorman E. Getty, attorney to the Allegany County Board of Commissioners, yesterday reiterated what he had explained Monday night concerning the proposed erection of a tipple in the Moscow section for use in screening coal.

Yesterday he informed the county commissioners that no final agreement had been reached concerning the erection of the tipple.

Monday night he explained that James Thrasher of Somerset, Pa., who proposed to build the tipple, and County Roads Supervisor J. Walker Chapman had reached an agreement. Under this agreement, Mr. Thrasher promised to provide the county commissioners with detailed drawings showing the exact distances of the tipple from Laurel Run Road and other parts of the operation.

Mr. Getty explained Monday night that the county commissioners still have not given up the idea of persuading Mr. Thrasher to choose another location for the tipple. Obviously, then, the agreement did not solve differences and could not be considered final.

Rainfall Aids Apple Crop

COLLEGE PARK, Md., Sept. 24 (P)—The rains in the last two weeks have helped the Western Maryland apple crop tremendously. Maryland's extension service reported today, but still more rainfall would help the yield even more.

The service, in its weekly crop report, said that Jonathans and Grimes were the chief varieties being harvested last week in the Hancock, Frederick and Smithsburg areas, with the apple harvest expected to reach its peak during the first two weeks of October.

Elsewhere in the state, farmers were winding up one of the worst growing years in the last several decades. Virtually all of the field corn had reached the dent stage, and the only main crops still being harvested were Italian style tomatoes and lima beans for processing.

Pastures, the report said, were making a remarkable comeback after the long summer drought as a result of the several heavy rains within the past two weeks.

(Continued On Page 8, Col. 3)

City Prepares Cost Study Of Drainage Job

Includes 3,000 Feet Of Storm Sewer Line

The City Engineering Department plans to complete in about a week an engineering estimate of the cost of encasing an open ditch in the Oldtown Road-Wempe Drive area.

A survey of the area was made recently and details secured are being used to draft plans for the project.

The plans will indicate the exact amount of materials needed for the project and allow the department to estimate costs—based on current prices of materials and construction costs as indicated in recent contract awards.

Use Past Bids

Last month, City Engineer C. R. Nuzum made what he termed a very rough estimate and put a \$90,000 price tag on the correction of the condition which has existed for several decades.

Mr. Nuzum explained, however, that it is impossible to estimate the exact cost of a project, since
